Presents

AI SKILLS-LMS BASED TRAINING

13th October 2025

02:00 PM - 04:00 PM

B301 & B302, Sardar Vallabhbhai Patel Block

Supported By

The Campus 2 Community Fellowship Programme in collaboration with the NSS Unit Cell and the NCC unit of New Horizon College of Engineering and Yuvaka Sangha, Bangalore held a special training session on 'AI Skills – LMS Based Training'. It was successfully conducted on 13th October 2025. The event was held from 2:00 PM to 4:00 PM at B 301 and B 302, Sardar Vallabhbhai Patel Block.

The session was supported by Microsoft, Ernst & Young (EY), and Yuvaka Sangha, Bangalore. The event aimed to provide students and volunteers with an overview of Artificial Intelligence (AI) tools, Learning Management Systems (LMS), and their applications in education and professional development.

A total of three resource persons from Ernst & Young (EY) conducted the training sessions, sharing valuable insights on AI-driven technologies, practical applications of LMS platforms, and the role of digital skills in enhancing employability. The participants included the NSS and NCC volunteers from NHCE, who actively took part in the hands-on learning experience.

The programme concluded with a vote of thanks delivered by the NSS Programme Officer, Prof. Hanamant Yaragudri. Mementoes were presented to the resource persons in appreciation of their contribution. The session received an excellent response from the student community, reflecting their keen interest in emerging technologies and continuous learning initiatives.
