

## A Report On Alumni Meet 2025

As part of the Silver Jubilee celebration of New Horizon College of Engineering, the much-awaited **Alumni Meet 2025**, with the theme "Retro" was held on 13th December 2025 at the Open Stage, New Horizon Knowledge Park. The event marked a significant milestone in the college's history as it celebrated 25 years of academic excellence, growth, and contribution to society. The Alumni Meet embraced a nostalgic journey through time, bringing together alumni from different years and regions to reconnect, reminisce, and share their achievements.

The program commenced with the Alumni Registration at 5:00 PM, where former students were warmly received and welcomed by the organizing team. This session allowed attendees to reconnect with their batch mates, exchange greetings, and set the tone for the evening.

The event formally began at 6:00 PM with the National Song – Vande Mataram, which set a patriotic and respectful atmosphere for the proceedings, followed by a graceful Invocation Dance that set an auspicious and inspiring tone for the event. The Senior Director of the Career Development Centre took the stage to extend a warm welcome to the alumni, faculty, and guests. The Director highlighted the importance of the event, emphasizing how alumni play a crucial role in the college's development and how their continued success is a testament to the institution's values.

This was followed by a special "Silver Horizon Legacy" Video was showcased, tracing the journey of the college from its inception to its 25th anniversary. The video highlighted key moments, achievements, and notable alumni who have contributed to the college's growth. It was a visual tribute to the institution's legacy and its impact on countless lives.

The gathering was then addressed by the Principal, delivered a heartfelt address, thanking the alumni for their contributions to the institution and their ongoing connection with the college. The Principal spoke of the ever-evolving educational environment and the role alumni play in enriching the college community.

The Chairman of New Horizon College of Engineering, in his speech, reflected on the institution's journey of 25 years, sharing his vision for the future. The Chairman expressed deep pride in the college's achievements and reaffirmed the importance of alumni involvement in shaping the institution's direction moving forward. The Chairman invited first batch students on to the stage and felicitated them. First batch students shared their views about the college. Followed by Alumni who studied in New Horizon School and College also felicitated by the Chairman.

Adding a nostalgic touch to the event, a Short Film on Alumni Memories was screened, evoking cherished recollections and emotional connections among the attendees. The video brought back a flood of memories and reinforced the deep emotional connection alumni feel with their alma mater.

This was followed by “Reminiscing the Journey by Alumni” several esteemed alumni took the stage to share their personal journeys since graduation. They spoke about the challenges they faced, the lessons they learned, and how the college had contributed to their professional and personal growth. Their stories were inspiring and served as a testament to the quality of education and holistic development offered by the college.

The Cultural segment of the evening was a vibrant celebration of talent and creativity. The performances included a Dance Performance, a Group Singing and a Fashion Show. The performances showcased the rich cultural diversity of the college community.

The program concluded with the Vote of Thanks, expressing the gratitude to all dignitaries, alumni, organizers, and participants for making the event a grand success. The formal session ended with the National Anthem, a moment of unity and reverence that brought everyone together in pride and solidarity.

A spectacular Live Concert by Avinash chebbi, creating a festive atmosphere and providing an opportunity for alumni to relax and reconnect. The concert, with its mix of classic and contemporary music, brought energy and excitement to the gathering, with many alumni joining in to sing along and relive old memories.

After the concert, a Gala Dinner was served, providing the perfect opportunity for alumni to interact in a relaxed setting. The dinner featured a delectable array of dishes, offering something for every palate. The atmosphere was warm and convivial as attendees continued to reminisce and forge new connections.

The evening concluded with the Distribution of Gifts to the alumni as a token of appreciation for their continuous support and involvement with the institution. The gifts, specially designed to commemorate the Silver Jubilee Celebration, were a gesture of gratitude and a reminder of their lifelong connection with New Horizon College of Engineering.

The Alumni Meet 2025 proved to be a grand success, with alumni from various batches and locations coming together to celebrate the Silver Jubilee of New Horizon College of Engineering. The event was a perfect blend of nostalgia, celebration, and forward-looking optimism. From inspiring speeches to memorable cultural performances, the evening reflected the values, achievements, and legacy of the college. The event not only celebrated the past but also laid the foundation for a stronger alumni network in the future, ensuring continued collaboration and support for the institution’s growth.
