A REPORT ON MOVIECON

On 31 May 2024, the Drama Club, in collaboration with the Art and Dance Club, organised a drama festival called MovieCon 2024. The festival was a dazzling world of MovieCon, where both reel and real life merged seamlessly.

It was a student body drama festival that was crafted through the collaboration of the finest minds from the drama, dance, and art clubs. It was a platform where the creativity of the art club met the electrifying energy of the dance club, with an underlying story unfolding through the lens of the drama club. The campus was filled with filmy decorations by the art club.

It was a multi-event festival where storytelling took on different forms. MovieCon presented an excellent experience of the thrill of short films, the power of street plays, the artistry of mono acting, the rhythm of dance performances, the creativity of tattoo art, and the glamour of the runway. It was simply entertainment, entertainment, and entertainment.

The title of Ms. MovieCon'24 was secured by Ms Haripriya D, who portrayed the character of Geet from the movie *Jab We Met*, an extroverted girl who is joyful and happy all the time.

The title of Mr. MovieCon'24 was secured by Mr Rounak Chhetri, who portrayed the character of Ranga Anna from the movie *Avesham* and played the role of a local gangster.

The Film Fiesta at MovieCon'24 was a resounding success. The presence of Mr Surya added a star-studded appeal to the event, and his interactions with the participants were highly appreciated.
