## **Targeted Audience:**

Students from EEE, CSE, ISE, CE, ECE, AIML, CSE-DS and ME.

## **Description of the Event:**

Biz Bounty was an exhilarating treasure hunt, stock market simulation and a business oriented quiz designed to challenge intellects and ignite curiosity. The event, attracting 40 teams, became a dynamic fusion of intellect and collaboration. filled with technical conundrums, intricate analytical puzzles, and mind-bending riddles. Each challenge tested their problem-solving skills, teamwork, and creativity, as they raced against the clock. The event was a perfect fusion of fun and intellect, fostering collaboration and sparking innovative thinking.

## **Round One: Tech Quest**

The Tech Quest round proved to be a resounding success as participants engaged in a race of wits, strategy and teamwork showcasing their extensive knowledge across technical and analytical problems. The challenging set of puzzles pushed the boundaries of the participants' intellect, covering a wide range of subjects.

## **Round Two: Stock Soccer**

Stock Soccer was an engaging round that put participants in the shoes of savvy investors. Armed with news and updates about various companies, teams had to analyze the information critically and make strategic decisions about which companies to invest in. The round tested participants' ability to interpret market trends, assess risks, and think on their feet. With no option to sell stocks, the challenge focused entirely on making informed investment choices and crafting a winning portfolio. Stock Soccer blended financial acumen with strategic thinking, creating an exciting and dynamic experience for all participants.

## **Round Three: Geek Feud**

Geek Feud was a high-energy, team-versus-team quiz that combined speed, strategy, and intellect. The round began with a buzzer-style challenge, where the quickest participant to answer correctly secured the first opportunity for their team. Following this, the rest of their team collaborated to provide additional answers, each carrying varying points based on accuracy and relevance. The dynamic format encouraged rapid thinking, effective communication, and strategic decision-making. Geek Feud wasn't just a test of knowledge—it was a thrilling showdown that celebrated teamwork and competitive spirit.

## **Conclusion:**

Biz Bounty concluded as a remarkable journey through three captivating rounds that tested intellect, strategy, and collaboration. From the brain-teasing puzzles of the treasure hunt, to the strategic decision-making of Stock Soccer, and the adrenaline-filled showdown of Geek Feud, every moment was a celebration of brilliance and camaraderie. The event resonated with laughter, determination, and the joy of overcoming challenges together. Participants didn't just compete—they connected, collaborated, and celebrated their collective achievements. Biz Bounty wasn't merely a competition; it was an exhilarating adventure that left everyone with unforgettable memories, newfound friendships, and the thrill of shared success.
