NIKHITA SAI	1NH23CD175	3/C/DSE	BOARD MEMBER
BENNETT CYRIL	1NH23CD025	3/A/CDS	BOARD MEMBER
DEVONA SHERINE	1NH23EC123	3/C/ECE	BOARD MEMBER
MANISHKA NAYAKA	1NH22CD062	5/A/CDS	BOARD MEMBER
HARSHAA VARDHINI	1NH23CD060	3/A/CDS	BOARD MEMBER
PREETY GUPTA	1NH22EE082	5/B/EEE	BOARD MEMBER

Description of the Event:

CodeVoyagers was an electrifying tech-based event that took participants on an thrilling adventure of problem-solving and creativity. The event comprised two rounds: Campus Guesser, where teams identified locations from images, and Tech Trivia, where teams competed to answer tech-based questions. Through these rounds, participants showcased their collaboration, critical thinking, and technical skills, with the top teams advancing to the next round and competing for the top spot, making CodeVoyagers an unforgettable experience.

Event Overview:

CodeVoyagers transpired with two interesting rounds

Round 1: CAMPUS GUESSER

Participants were able to dive into fun puzzles that take you on a journey across our campus. Morse codes had to be decoded to get the images unlocked. They were provided with mysterious images taken around campus with the task to identify the location and recreate each scene with precision! This round tested the student's thinking level and their presence of mind with their surroundings.

Round 2: TECH TRIVIA

In the round of tech trivia, all teams were competing against each other to answer as many technical questions as possible to earn points and win. The participants displayed immense enthusiasm, eagerly pressing the buzzer and vying to be the first to provide the correct answer. They were instigated to face trivia as well as rapid fire questions. All the teams showed active and enthusiastic participation in both the rounds.

Highlights

- Engaging Format: Two rounds of exciting challenges, Campus Guesser and Tech Trivia.
- Campus Exploration: Identified locations from images taken around the campus.
- Technical Showcase: Answered technical questions and earned points in Tech Trivia.
- Collaboration and Skill-Building: Fostered teamwork, critical thinking, and technical skills.
- Competitive Spirit: Top teams advanced and competed for the top spot.

Outcomes

CodeVoyagers was a resounding success, offering a thrilling adventure of problem-solving and creativity for all participants. With its unique blend of campus-based puzzles and technical trivia, the event provided an unforgettable experience that tested the students' technical skills, critical thinking, and collaboration.

The Winners of the CodeVoyagers were as follows:

Team Ultraviolet- Mythri R (1NH22IS091)
Akanksha Jha (1NH22IS202)
Varshitha (1NH22IS180)

The Runners- Up of the CodeVoyagers were as follows:

Team CCCL - Anshika U (1NH22EC018)
Abdullah (1NH22EC001)
Ankit Patil (1NH22EC016)
Sakshi Muttin (1NH22EC143)
