Targeted Audience: Students from ISE,EEE, CSE, CE, ECE, AIML, CSE-DS and ME

Event Description:

The TechForge Club proudly hosted "Know-Wit-All," a stimulating event aimed at fostering knowledge, critical thinking, and articulate expression. Held on 15th November 2024, the event attracted enthusiastic participants, eager to showcase their technical knowledge and skills. The event was structured into two engaging rounds that tested participants' general knowledge, analytical thinking, and debating prowess. The event combined competition and intellectual growth, leaving participants inspired and empowered.

Round One: Quiz Round

In the Quiz Round, participants faced a series of challenging questions spanning general knowledge, technical topics. Conducted in a fast-paced, online format, using the software Kahoot. This round tested the participants' quick thinking, recall, and technical skills. The top-scoring teams advanced to the next round.

Round Two: Debate Round

In the Debate Round, the qualifying from the first round engaged in a dynamic discussion on contemporary topics. Each team was given a topic, along with a fixed and equal time to prepare their arguments. The round emphasized public speaking, persuasion, and critical analysis, creating a lively and thought-provoking atmosphere that was interactive and informative.

Conclusion:

"Know-Wit-All" was a celebration of knowledge and dialogue that brought together inquisitive minds in a spirit of healthy competition. Participants left the event with a sense of accomplishment and a renewed passion for learning and critical thinking.
