<b>Event Name</b>	<b>RedStrain Protocol</b>
<b>Date, Time &amp; Venue</b>	<b>11<sup>th</sup> December 2025, 2:00 PM – 5:00 PM, Tejas Seminar Hall</b>
<b>Total No of Participants</b>	<b>120 participants</b>
<b>Event Description</b>	<p>The HealthXcel club successfully organized a three-round interactive event designed to test participants' logical thinking, focus, and decision-making skills through engaging challenges. The event simulated situations requiring quick analysis, calm judgment, and teamwork under pressure. Round 1: Protocol Key Crack required teams to move between multiple stations to collect symbols by answering logic, general knowledge, and riddle-based questions within a fixed time limit, testing adaptability and recovery from setbacks. Round 2: Redlight Deadnight was a motion-control challenge inspired by the Redlight–Greenlight format, assessing discipline and concentration through strict movement rules. Round 3: Hunt the Deceiver focused on communication and reasoning, where selected team members participated in a discussion-based activity involving truth and deception. The event concluded by recognizing the top-performing teams.</p>
