

Report on Brodha V Concert during QuantumX 2026

The much-anticipated concert by Brodha V was organised as a highlight event of QuantumX 2026 at New Horizon Knowledge Park on 27 March 2026. The concert attracted an overwhelming gathering of nearly 6,000 students, creating an electrifying and vibrant atmosphere across the campus.

The event commenced at 7:00 PM with an energetic performance by the NHCE Dance Club students. The dancers enthralled the audience with a creative fusion of classical and street dance styles, performed to popular tracks of Brodha V. Their high-energy choreography and synchronisation set the perfect stage for the main act.

At 7:30 PM, Brodha V took to the stage and captivated the audience with his unique musical style and engaging stage presence. His performance, a blend of soulful melodies and high-energy rap, resonated deeply with the crowd. The audience responded with great enthusiasm, singing along and actively participating throughout the concert.

The performance concluded at 9:00 PM, marking the end of a memorable evening. The concert stood out as one of the major attractions of QuantumX 2026, reflecting excellent planning, seamless execution, and enthusiastic participation from the students.

Overall, the event was a grand success and left a lasting impression on all attendees.
