As part of the **Campus 2 Community** Fellowship Program jointly organized by **NSS Unit Cell** and **NCC** of New Horizon College of Engineering in association with **Yuvaka Sangha**,

**Bangalore**, a special training session on “**AI Skills – LMS Based Training**” was successfully conducted on 24<sup>th</sup> February 2026.

The event was held from 2:00 PM to 4:00 PM at Classroom No. B302, Sardar Vallabhbhai Patel Block. The session was supported by **Microsoft, Ernst & Young (EY), and Yuvaka Sangha**, Bangalore. The primary objective of the program was to provide students and volunteers with an overview of Artificial Intelligence (AI) tools, Learning Management Systems (LMS), and their applications in education and professional development.

The resource persons for the session were **Miss Bhagya Laxmi D, Senior Software Testing Engineer**, and **Mr. Manish Sharma, GenAI and ML expert from EY**. They delivered insightful sessions covering the fundamentals of AI, various AI models, and their real-world applications. The session was interactive and informative, helping participants gain practical knowledge and clarity on emerging AI technologies.

The training concluded with an engaging doubt-clearing session, where students actively participated and clarified their queries. The participants expressed satisfaction and appreciation for the informative and well-organized program. As a token of appreciation, mementos were distributed to the resource persons by Mr. Hanamant Yaragudri, Senior Assistant Professor and NSS Programme Officer, and Mr. Ravikumar M, Senior Assistant Professor and NCC Commanding Officer.

The program concluded with a vote of thanks delivered by Mr. Hanamant Yaragudri, NSS Programme Officer, expressing gratitude to the management, resource persons, supporting organizations, and participants for making the event a success.
