"I have been staying in hostel from past 3 years and it has been good experience. Hostel has given so much of life experience. It has good mess as well as security. One feels a lot safe, staying in hostel rather than staying out."

S. Supriya, CSE  
Sony India

"In this land of competition, career choice and job satisfaction don't complement each other. But NHCE PLACEMENTS has just provided me that and I am indebted to them for such a selfless favor to a budding engineer."
