Ref: NHCE/CV/2010-21/Seminar/Rep/

Date: 02/07/2021

REPORT

The webinar was held on 2nd July 2021 for Civil Engineering students and other members. The Program began with an invocation song by group of students. The welcome address was given by **Dr. Natchimuthu Subramani**, Associate Professor, and Department of Civil Engineering.

Dr.P S Niranjan, Professor, and Head spoke about the importance of the skillset requirements among civil engineers.

The Resource person of the webinar was introduced to the participants by **Mr.Surendra B.V** , Associate Professor of Civil Engineering Department.

Col P.S Suresh ,the Resource person, deliberated the whole session with the various careers in the indian army and brain storming sessions involving active participation with various valuable informations.

The Vote of thanks was delivered by **Mr. Rahul NK** , Assistant Professor, Department of Civil Engineering.

The excerpt of his seminar is as follows:

The Military Engineer Services (MES) are responsible for the design, construction and maintenance of all works, buildings, airfields, dock installations, etc., together with accessory services such as military roads, water and electricity supply, drainage, refrigeration, furniture, required by the Army, Navy, Air Force.

This session given various informations to the students.
