Title	Online Guest Lecture on "VLSI Design"			
Department	Electronics and Communication Enginee	ering.		
Date	From : October 6 th ,2020	To: October 6 th ,2020		
Time	From: 9:00 AM	To: 1:00 PM		
Brief Description (4-5 Lines Max)	Department of Electronics and Communication Engineering conducted an online Gues lecture on "VLSI Design" on October 6 th ,2020. The speaker, Mr. Ram Kumar , is workin with Wells Fargo as Application System Engineer. The focus was on the basics of VLS Design and its layout. The current cutting-edge technologies such as high resolution and low bit rate video and cellular communications provide the end-users a marvelous amount of applications processing power and portability. This trend is expected to grow rapidly, with very importar implications on VLSI design and systems design Around 78 students of 5 th semester participate in the session.
