**Date:27-02-2016**

**Time: 10:00AM**

**Resource Person:** Mr. Mirtunjay Kumar, Senior Engineer, Quintiles Research India Pvt Ltd, Bengaluru

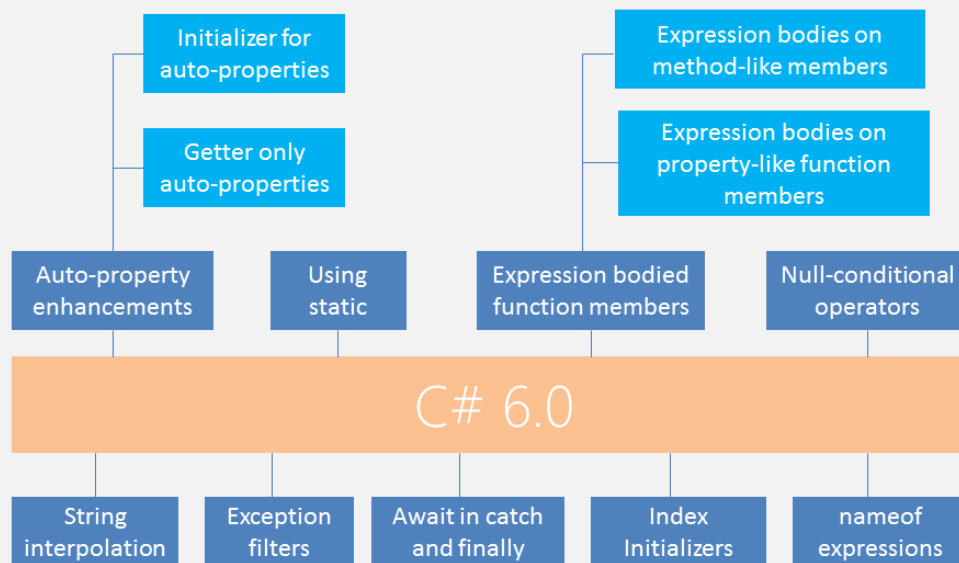

We the Department of Information Science and Engineering has conducted a workshop on C# .NET on 27<sup>th</sup> February, 2016 for 6<sup>th</sup> and 4<sup>th</sup> semester students of ISE at CHANAKYA SEMINAR HALL, NHCE.

The expert speaker, Mr. Mirtunjay Kumar, Senior Engineer, Quintiles Research India Pvt Ltd, Bengaluru was invited to conduct the workshop. He is a full stack engineer who built products ranging from enterprise application, mobile apps (both Android and iOS). He worked extensively in Java, J2EE, Oracle, .NET

The workshop started with importance of emerging trends and usage of C# .NET in present projects. The listeners were enlightened about the latest version of C# 6.0 and .NET Framework 4.6. The speaker highlighted different technical features of C# 6.0 like Exception filters, Property initializers, Null propagator, String interpolation and Dictionary initializer. Speaker also conducted a hands-on session to show the above mentioned topics how they are implemented. Speaker also advised students to use C# .NET in their projects and to get more hands on experience about the technology

All the students who attended the session understood the topics explained and they are very motivated to use C# .NET while doing their projects. Students had an hands on session in which speaker helped students to do the given assignment.
