

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Report On Induction Programme for Higher Education in Abroad

Resource Person: Ms. Pranathi, IDP Education coordinator

Date: 28-02-2019

Venue: B 219, EEE Department

Time: 11.10am to 12.10pm

The program was organized for final year Electrical and Electronics engineering students those who are interested to do higher education in abroad. Totally 30 students have attended the program and they were exposed to the field of higher education in abroad.

IDP Education ("International Development Program") is an international education organisation offering student placement in Australia, and to New Zealand, the USA, UK, Ireland and Canada. IDP has more than 100 offices in 31 countries and 550 counsellors. IDP is also a co-owner of the English language test IELTS. More than 3 million IELTS tests were undertaken around the world in 2018 and over 1000 organisations rely on IELTS including governments for migration assessment, universities for admissions and employers and professional registration bodies. IELTS Australia Pty Ltd manages a network of more than 200 IELTS test centres in over 35 countries. There are over 1000 IELTS test centres globally. IDP Australia partners with University of Cambridge ESOL Examinations and the British Council for IELTS tests.
