## AN EXCLUSIVE SESSION ON “UNLOCK BIG DATA WITH VERTICA”

---

**Speaker:** Mr. Lokesh Sharma, Sales Director, India and SAARC, Microfocus, New Delhi.

**Date:** 5<sup>th</sup> November 2019

**Venue:** Falconry Hall

**Audience:** 5th semester students from CSE, ISE, ECE, MECH and EEE

### **Gist of the Event:**

Dept of Computer Science and Engineering in association with Computer Society of India and HP - Centre of Excellence hosted an exclusive session on Unlock Big Data with Vertica today (05-Nov-19).

The intent of this session was to lay importance of Big Data and Data Analytics and make the students understand why Vertica is different from other tools.

The session was deliberated by Mr. Lokesh Sharma, Sales Director, India and SAARC, Microfocus, New Delhi.

During the deliberations, Mr. Lokesh highlighted the placement opportunities for Vertica trained students. Students who are currently undergoing the course got a better knowhow of the prospects and students who are in the process of identifying the open elective got a clear path in terms of choosing Big Data as an open elective.

5th semester students from CSE, ISE, ECE, MECH and EEE attended the session and got benefited.

We thank Mr. Ranjan Manish for supporting us in organizing this purposeful event.
