

DEPARTMENT OF MECHANICAL ENGINEERING

AICTE Sponsored

SHORT-TERM TRAINING PROGRAM ON

**HYBRID RENEWABLE ENERGY SYSTEMS AND
WASTE TO ENERGY – THE CHALLENGES &
SUSTAINABLE DEVELOPMENT**

PHASE – II
(BIO-MASS & BIO-GAS)

1st – 6thFeb 2021

Registration Form

Head of the Department

NEW HORIZON COLLEGE OF ENGINEERING

New Horizon Knowledge Park,
Ring Road, Bellandur Post, Near Marathalli,
Bangalore-560103, Phone:080-66297777

Chief Patron

Dr. Mohan Manghnani
Chairman, NHEI, Bangalore

Patron

Dr. Manjunatha
Principal, NHCE, Bangalore

Advisory Committee

Dr. K. Gopalakrishnan
Prof. & Dean, R&D, NHCE, Bangalore

Prof. Gurucharan Singh
Executive Director, T&P, NHEI, Bangalore

Program Co-ordinator

Dr. M S Ganesh Prasad
Dean, Prof. & Head- Mechanical Engineering,
NHCE, Bangalore

Co Co-ordinators

Dr.K.Gopal
Associate Professor, ME Dept., NHCE
9940936669

Prof. Manjesh B C
Sr. Asst. Professor,
Alumni officer, ME Dept., NHCE
9739699968

Organizing Committee

Dr. Srinath M K, Asso. Professor
Dr.Nagendra J , Asso. Professor
Prof. Chetan Kumar D S, Sr. Asst. Professor
Prof. Ravikumar M, Sr. Asst. Professor
Prof. Santhosh A N, Sr. Asst. Professor
Prof. Puneeth H.V, Asst. Professor
Prof. Bopanna K.D,Asst. Professor
Prof. Karthik S.N, Asst. Professor
Prof. Pavan Prabhakar, Asst. Professor
Prof. Megha Shukla, Asst. Professor

ABOUT NEW HORIZON COLLEGE OF ENGINEERING

New Horizon College of Engineering (NHCE) is an Autonomous college affiliated to Visvesvaraya Technological University (VTU), approved by the All India Council for Technical Education (AICTE) & University Grants Commission (UGC). It is accredited by NAAC with 'A' grade & National Board of Accreditation (NBA). It is one of the top Engineering Colleges in India as per NIRF rankings – 2020 and an ISO 9001:2008 certified Institution. New Horizon college of Engineering is located in the heart of the IT capital of India, Bangalore. The college campus is situated in the IT corridor of Bangalore surrounded by MNCs and IT giants such as Intel, Accenture, Capgemini, ARM, Symphony, Wipro, Nokia, JP Morgan and Cisco to name a few. NHCE has Centre of Excellence with reputed industries like Adobe, HPE, VMware, Schneider Electric, SAP, Quest Global, and CISCO.

NHCE has a scenic and serene campus that provides an environment which is conducive for personal and intellectual growth. Students are supported through mentoring and counseling systems. The management offers scholarships to meritorious students. At NHCE, from the moment a student walks into the campus, he/she is well guided to know his/her strengths and choose an area of functional specialization. NHCE has a unique distinction of achieving 100% admissions in all its courses year after year.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is accredited by the National Board of Accreditation (NBA). Mechanical Engineering is perhaps the most diverse and versatile of the engineering disciplines. Keeping itself up to date with the latest developments and trends in the field and with a dedicated faculty of highly qualified and experienced members in all streams of mechanical engineering, the department consistently strives to provide world class facilities for education and research. This has reflected in the real time projects from industries, real time case studies from experts of reputed industries. Students are involved in R & D projects of the department. The hands-on training offered in laboratories in latest equipment's and design software brings in a formal method of familiarizing with the industrial practices helps the students to apply their class room knowledge to live industrial situations. About 20% of our students proceed to top universities abroad to pursue their higher education.

OVERVIEW OF THE SHORT TERM TRAINING PROGRAM

Short Term Training Program (STTP) in the field of technical education will help participants to gain knowledge on hybrid renewable energy with digitization techniques and energy from waste for sustainable development. Due to increase in energy demand and the rapid depletion of conventional fossil fuel resources, the renewable energy has caused great attention today and has to focus on to reduce the waste level in eco system.

THE OBJECTIVES OF THE STTP:

Faculties members/Research scholars/Ph.D Students /Participants from Industry are going to be clear about

- To replace fossil fuels to meet the environmentally challenges and to integrate different energy resources.
- To overcome the problems caused by the power demand uncertainties.
- To optimize hybrid system components, enhance efficiency, cyber security, reliability, and profitability of the assets over their lifetime.
- To reduce the waste and reuse into useful energy.
- To attain and ensure the pollution free atmosphere from green energy.

WHO CAN APPLY:

This STTP program is open to the faculty members and Research Scholars of AICTE approved colleges, and Industry professionals.

RESOURCE PERSONS:

Eminent speakers from IISc, IIT, NIT and from NHCE with research experience will share the expertise in the fields of Hybrid-Renewable Energy Systems & Advance energy conversion techniques adopted in the emerging Waste to Energy applications.

COURSE CONTENT:

- Various types of Waste and its resources analysis, Measurement, Control and Management methods.
- Bio-mass into Green Energy through Effective Conversion Techniques.
- Waste to Energy from Bio-mass applications - Power Generators.
- Supply and Demand side of Energy Management
- Ensuring zero pollution in Environment.

REGISTRATION

The participants can download Registration Form available on the New Horizon College of Engineering Website(<http://newhorizonindia.edu/nhengineering/mechanical-engineering/>) or can use the registration form available overleaf. All short-listed candidates are required to confirm their participation by sending approved copy of Registration Form to us through **E-mail: aictesttppmenhce.2020@gmail.com** on or before **24th January, 2021.**

OR

Fill the online Form using

<https://forms.gle/EchosPipf929rY9U9>

The selected applicants will be intimated by E-mail on or before **28th January, 2021.**

Note: The certificate will be issued to those participants who have attended and qualified in the test conducted at the end of the program.

IMPORTANT DATES

Last date for receiving scanned registration form through e-mail: **aictesttppmenhce.2020@gmail.com** is

24th January, 2021.

Selected participants will be intimated through Email, on or before **28th January, 2021.**
