STUDENT TESTIMONIALS

I would like to express my sincere thanks to the placement department at NHCE. Before starting my educational journey at NHCE, i didn't have any idea about what my future would be like; but here at NHCE, my career found the right direction. I found welcoming classmates and an engaging faculty who were ever ready to help me and guide me towards effective problem-solving and career progression.

There's a quote that always comes to mind when I think about NHCE, "It always seems impossible until it's done". This is something that we learnt at NHCE. And i would give maximum credit to the dept of ECE for it. They believed in us when we did not believe in ourselves. And I am eternally grateful to the placement cell for kick-starting my career at a reputed company, in a respectable position.

BE(ECE)

NHCE is a prestigious institution and I am glad to have studied at this temple of learning. There are many engineering colleges in town, but I chose NHCE as it is known to have a caring management and an excellent faculty. Be it academics, sports or cultural, NHCE stands tall, above all. And the CSE dept is one of the best departments in NHCE. I am extremely thankful to all the teachers who taught me. Last but not the least, I thank the placement cell for giving us the opportunity to attend various campus recruitment drives. It is primarily due to their support and guidance that i have confidently stepped into a promising corporate life.

Also, many thanks to the placement department for their aggressive persuasion and incredible support in pushing us beyond our limits. I am extremely grateful to everyone that I met at NHCE over the wonderful 4 years.

My four-year journey at New Horizon College of Engineering has been absolutely wonderful. I would like to thank our Placement Department who supported us and gave us several platforms to showcase our talent.

Even though i was the only girl in the Mechanical Department of batch 2016-2020, I had an amazing experience throughout the course. The dept faculty is dedicated to help and ensure students achieve great heights in both academics and career. The department also played an active part in my placement with QUEST Global. The dept has many extra-curricular and co-curricular clubs. I was the President of the Robohorizon Club and we successfully organized many events that were helpful to the entire college.

I am proud to be a New Horizonite and honoured to have had an encouraging and engaging faculty that stands by students through thick and thin. The most amazing fact is that the faculty gives personal attention to each student and helps them become industry-ready.
