Internship - Circular

This is in continuation to the UGC letter dated 29/04/2020 vide which the guidelines on examinations and calendar were issued. It was made clear that the guidelines are advisory in nature . The said guidelines also provide a framework for internship etc. However, keeping in view the current situation of lock down across the country due to Covid-19, the colleges may also take following measures for internship and other related activities:

1. Allow the students to take up 'online internships/ activities' including the activities that can be carried out digitally or otherwise from home.
2. Engage them to work as interns on ongoing projects.
3. Delay the start date for internship.
4. Reduce the period of internship clubbing with assignments etc.

Note: The following Instructions will provide general guidelines for updating the relevant data as applicable and appropriate to the individual faculty member(s):

- All the claims need to be substantiated with appropriate links (*in case of publications*) or soft copy (*in case of project proposals*) of the supporting documents without any ambiguity.
- Publications:** Wherever there are multiple authors [when you are not the corresponding author (first author)] in a paper, then write as Co-author and when you are providing the citation, kindly write in the same order of names in which it was published in journal. Papers published as on date only should be accounted. Under review is not considered. In case of your name with other than NHCE Designation/Affiliation, kindly mention it (*May be prior to joining NHCE, you might have submitted/published during the current academic session*).
- National Conference/Seminar/Workshop/FDP Attended:** Mention only the Events/FDPs attended physically outside NHCE.
- Projects:** Wherever there are multiple authors [when you are not the PI] in a project, then write as Co-PI. In case of multiple Co-PIs, all of them must specify that Co-PI to avoid confusion (*For Example, in a Dept. they have submitted only one Project with 1 PI and 3 Co-PIs, but all the 4 are mentioning as if each one has submitted a Project, it reflect that the Dept has submitted 4 Projects! Same is the case of Papers with multiple authors!*). Attach soft copy of the Proposal submitted to the funding agency.
- Patents:** Those who have filed/published Patents on their own with multiple authors from NHCE or from outside Institutions/Universities are also need to be mentioned clearly that whether the patent disclosure has single author or multiple authors! In case, if you are not the applicant of Patent, mention as “Co-Inventor” only. In case of your name with other than NHCE Designation/Affiliation, kindly mention it (*May be prior to joining NHCE, you might have filed/published during the current academic session*). Patents filed/published should not be written as “obtained patent”, till it is getting it actually granted! (*After, publication of Patent, there is a process of examination of patents, claims/counterclaims by others etc till it is granted, need to go!*).
- PhD Guidance:** Number of PhD Guided successfully or currently Guiding with NHCE Research Centre under VTU and Outside VTU, shall be mentioned clearly. Similarly, Guiding Scholars Outside VTU, with NHCE’s current affiliations/designation or with old designation of other employer(s) etc need to be mentioned. It is required for our own records to update in NIRF/ARIIA/MIIC/CII Rankings etc.
- Outside Invitations:** Invited by Outside Agencies are alone to be reported. Invited to BoS/BoE/Academic Council of other Universities or Institutions/Professional Society/Advisory Committee/Keynote Address/Session Chair to National/International Conference etc held outside other than NHCE!
- R&D/Event Funding:** Mention clearly, the value of the Project/Proposal/Event for which it was Applied/Granted/Completed/2nd or 3rd Phase/Year etc as per the instructions cited in Sl.No. d).
- MODROBS:** As per AICTE Guidelines, HoDs of the respective Department alone can apply for it as PI. There is no provision for Co-PI, kindly avoid adding names under Co-PI for this scheme.
- KSCST:** It is the scheme, meant for students and they are alone submitting the projects and paying the registration fees. Of course, Guide will be there from Departments and he/she can take the credit as concerned Guide. However, It is a very small grant for students (*in few thousands, 2-5k!*) Hence, there is no provision for PI, in KSCST scheme. Other than the concerned Guide, do not write many names under Co-PI/Co-Guide etc, when there is no PI itself! It will undermine the spirit and will be insult to the concerned faculty members (*Rs.2k project with 3/4 students and 2/3 faculty members, may not look nice and respectable to claim!*)

Institute Name: NEW HORIZON COLLEGE OF ENGG.				Program Name : Civil Engg.			
Discipline: Engineering & Technology				Level : Under Graduate		Tier: 1	

Program Specific Information

NAME OF PROGRAM	PROGRAM APPLIED LEVEL	START OF YEAR	YEAR OF AICTE APPROVAL	INITIAL INTAKE	INTAKE INCREASE	CURRENT INTAKE	ACCREDITATION STATUS	From	To	PROGRAM FOR CONSIDERATION	PROGRAM FOR Duration
BACHELOR OF ENGINEERING	UG	2009	2009	60	Yes	180	Granted accreditation for 3 years for the period (specify period)	2017	2020	Yes	4
Sanctioned Intake for Last Five Years for the BACHELOR OF ENGINEERING											
Academic Year		Sanctioned Intake									
2019-20		180									
2018-19		180									
2017-18		120									
2016-17		120

Sub: Calculation of grades of Current intermediate Semester Students. - reg.

Ref: Special Regulations No. VTU/PS/2020-21/1386, dated 24-07-2020.

With reference to the above, following is the method of calculation of grades for the students of current Intermediate Semester Students.

PROCEDURE FOR CALCULATION OF GRADES FOR CURRENT INTERMEDIATE STUDENTS

The grades of all UG and PG students of current intermediate semesters shall be calculated as follows:

1. CIE marks of each course of current even semester shall be scaled to a maximum of 50.
2. SEE marks of all credit courses of the preceding odd semester shall be scaled to a maximum of 50 and then averaged. If a student has remained absent in the preceding semester, the SEE marks for that course shall be taken as zero.
3. The calculated average SEE marks shall be taken as the SEE marks for each course of the current even semester.
4. The minimum average SEE marks for passing shall be 10/50.
5. Regulations applicable to minimum CIE, SEE and total marks for the current even semester shall be as per applicable regulations.
6. Total marks for any course of the current even semester shall be the sum of CIE of the current semester (scaled to a maximum of 50 marks) and average SEE marks (scaled to a maximum of 50 marks) of all the credit courses of the preceding odd semester.
7. Grades shall be assigned based on the applicable regulations.
8. Where marks require scaling, fractional marks shall be rounded up to the next larger integer.

The contents of this circular may be brought to the notice of all the concerned.

Preamble

COVID-19 pandemic has set new normal in various fields. Extensive usage of online teaching-learning platforms, mentoring and monitoring of students in a remote mode are few such new trends experienced by Academia in these difficult times.

All the Affiliated, Constituent and Autonomous colleges under Visvesvaraya Technological University have conducted these online teaching-learning sessions with a fair degree of seriousness, though there are few doubts about its effectiveness due to various constraints.

Hon'ble Vice Chancellor of VTU did assess the effectiveness of online sessions across various regions of the State through various stakeholders such as Principals, Teachers, Students and few social organizations working for Students community. According to this survey, 70-75% of the students were reached through these Online sessions, but the coverage of the syllabus and the learning by the students is not consistent across. As per the reports received from the colleges, more than 95% of the students have participated in Continuous Internal Evaluation (CIE) with good performance. Also, it was strongly opined that, mere online classes will not serve the purpose but, these need to be blended with few classroom sessions.

Hon'ble Vice Chancellor also deliberated with few senior experts from Higher Education domain viz. former Vice Chancellors, authorities from organizations such as Accrediting agencies, Higher Education Councils both at National as well as State level, Industrialists, Corporate Leaders, Recruiters etc. A series of discussions were also held with the members of the Executive Council, Academic Senate, Chairpersons of Boards of Studies and Principals of colleges under VTU. All these deliberations and discussions were about the possible issues those may come up with regard to the examinations and framing of Academic Calendar in view of COVID 19 pandemic.

As per the order from Govt. of Karnataka and guidelines issued by UGC (References as above), following regulations are to be followed for all the Affiliated, Constituent and Autonomous institutes under Visvesvaraya Technological University.

Special Regulations for Conducting Examinations/Assessment

Visvesvaraya Technological University will adopt Special Regulations as per the UGC Guidelines dated 29-04-2020, Revised UGC Guidelines dated 06-07-2020 and order of the Government of Karnataka dated 10-07-2020 for conduct of examinations/assessment, which are as follows:

1. **UG and PG Students of Current Terminal Semesters:** The following special regulations are made with reference to the examinations of current terminal semester students:
 - a. All examinations of current terminal semesters of UG and PG programs, except subjects involving Viva Voce examinations, shall be conducted in off-line (pen and paper) mode,

so as to be completed by the end of September 2020. Question papers of current terminal semester exams will have open choice and normal duration as per the applicable scheme.

- b. Examinations of UG and PG programs of Project Work and any other subject where the SEE is in the form of Viva Voce, shall be conducted preferably through online mode, with both internal and external examiners from the same college. Reports of such Viva Voce examinations can be submitted in soft copy format and demonstrate working of experiments/fabricated machines etc. through video recordings.
 - c. Backlog examinations of current terminal semester students shall be conducted in off line (pen and paper) mode. Question papers of backlog subjects shall have normal choice and normal duration as per the applicable scheme.
 - d. In case a student of current terminal semester is unable to appear in the examination for whatever reason, he/she will be given an opportunity to appear in the immediate next examination, whenever it is conducted next. In such case, appearance will not be considered as an additional attempt.
 - e. Students of current terminal semester who wish to improve their grade in any subject/course of the current terminal semester examination will be given one additional attempt to attend the examination in that subject/course during the examinations conducted next. In such a case, student will be awarded the better of two grades and that appearance will not be considered as an additional attempt.
2. **UG and PG Students of Current Intermediate Semesters:** The UG and PG students of current intermediate semesters shall be assessed based on UGC Guidelines considering their CIE marks and performance in the immediate previous semester. The formula for deciding the grades will be notified separately. The following special regulations are made with reference to students of current intermediate semesters:
- a. Grades of UG and PG students of current intermediate even semesters in subjects other than those covered in (b) below, shall be the sum of 50% marks on the basis of CIE and the remaining 50% marks on the basis of performance in previous semester only. The formula for deciding the grades will be notified separately. In case if any specific advisories or directives are received from statutory bodies such as UGC/AICTE/CoA, the same shall be considered in the formula for deciding the grades.
 - b. Examinations of all current intermediate even semesters conducted in the form of Viva Voce shall be conducted preferably through online video conferencing platforms, with both internal and external examiners from the same college. Reports of such Viva Voce examinations can be submitted in soft copy format. The CIE and SEE shall be as per the scheme applicable to those examinations.
 - c. Students of current intermediate even semester who wish to improve their grade in any subject/course of the current intermediate semester assessment will be given one additional attempt to attend the examination in that subject during the examinations conducted next. In such a case, student will be awarded the better of two grades and will not be considered as an additional attempt.
 - d. The scheme of "carry forward" (for the subjects in which the student has failed) shall be allowed for the current academic year in the University and every student, shall be allowed to register for the next permissible odd semester based on the most recent even semester completed by the student. However, such students shall clear the examination for the subject in which he/she has failed/remained absent, in the immediate two examinations (odd and even semester) conducted next and gain eligibility as per vertical progression regulations of the University.
3. **UG and PG Students with Backlog Subjects:** University will conduct backlog examinations of all subjects of UG and PG programs. All UG and PG students, including students currently ineligible for admission to next odd semester, can attend backlog exams in off line (pen and paper) mode.

4. **UG and PG Students Currently Ineligible for Admission to Next Academic Year:** Students who are currently ineligible for admission to next odd semester can attend exams of their backlog subjects in off line (pen and paper) mode. In addition, they will be allowed to next odd semester as per 2 (d) above.
5. **UG Students of One Time Exit Scheme:** Students of OTES who have gained eligibility to attend exams of any semester shall attend the examinations in off line (pen and paper) mode.
6. **Attendance of Current Even Semester:** Regarding the requirement of minimum percentage of attendance for the students, the period of lockdown may be treated as 'deemed to be attended' by all the UG and PG students.
7. **Internships:** VTU will adopt the following measures for internships and related activities to ensure the safety and interest of all stakeholders:
 - a. Allow the students to take up online internships/ activities including activities that can be carried out digitally or otherwise from home
 - b. Engage them to work as interns on ongoing projects
 - c. Delay the start date of the internship
 - d. Reduce the period of internship and clubbing it with assignments etc.
8. **Autonomous Colleges:** All Autonomous colleges shall follow the above guidelines ensuring fair opportunity to all students and maintain the sanctity and quality of examinations. The autonomous colleges are permitted conduct current terminal semester examinations in off-line (pen and paper)/online/blended mode. They could also conduct the required number of contact hours for the supplementary semester (through online/offline/blended mode) and conduct the examinations for all the semesters as per the usual prescribed practice.
9. **Research Examinations and Entrance Test:** As per UGC Guidelines dated 24-09-2020, following special regulations are made with reference to Research Examinations:
 - a. Pre Ph.D. Comprehensive Viva Voce and Final Viva Voce examinations will be conducted using online video conference.
 - b. Research Entrance Test will be conducted in online mode.

Tentative Academic Calendar

As per the framework prescribed by the above referred order of Government of Karnataka, the tentative dates for the Academic and Examination events would be as under:

Event	Proposed Dates

Guidelines for Conduct of Examinations

Background

Universities and other educational institutions across the country have been closed since 16th March, 2020, as one of the measures to contain the COVID-19 outbreak. In April, 2020, the University Grants Commission (UGC), has issued "*Guidelines on Examinations and Academic Calendar for the Universities in View of COVID-19 Pandemic and Subsequent Lockdown*". In these guidelines it was proposed to hold the examination from July, 2020 onwards. The Guidelines provided various options for conduct of examinations to be decided finally by the University.

Presently, several universities have already conducted/planned the examinations in online/offline (pen & paper)/ blended (online + offline) mode.

Top ranking universities of the world have opted for the final exams to be done remotely. Like Princeton and MIT (USA); University of Cambridge, Imperial College of London (UK); University of Toronto and McMaster (Canada); University of Heidelberg (Germany); and University of Hong Kong have resorted to the online technology based mode of examinations. International universities like National University of Singapore, University of Adelaide of Australia, Oxford University for Final Semester have scheduled their exams in take home format. Alternative form of assessment like Open Book, Term Paper, Continuous Assessment, Presentations, Assignments, time-limited exams have been preferred as a substitute for exam in select countries of Asia and Europe.

Rationale

In order to safeguard the larger interests of students related to their academic and career progression, particularly those who are in their terminal semester/final year, the institutions are required to chart out a plan for conduct of examinations in online/offline (pen & paper)/ blended (online + offline) mode, after making a comprehensive assessment of their level of preparedness, residential status of the students, status of COVID-19 pandemic spread in different region/ state and all other such factors, to deal with any sort of exigency. The performance in examinations brings in scholarships and awards and translates into better job placement. This would not only give them more confidence and satisfaction, but also ensure merit and lifelong credibility.

Some Concerns

The higher educational institutions should address the following concerns:

1. The implementation of instructions and directives regarding safety and health issues by the central and state government departments.
2. Uncertainty among students regarding modes of teaching learning, completion of courses, examinations, evaluation, declaration of result, academic calendar, admissions, opening of institutions, etc.

3. Anxiety and stress developed during lockdown period and fear of COVID-19 after opening of campuses.
4. Safety measures including sanitisation of premises, thermal screening, ensuring physical distancing, mask wearing, hand washing etc.
5. Preparation for risk assessment and subsequent actions which varies - whether the institution is fully residential, partially residential or non-residential. The higher risk and bigger challenge is faced by non-residential institutions where the students will leave daily and come back next day.
6. Besides students, the risk of serious illness due to COVID-19 is faced by the faculty, counsellors, and other technical and non-teaching staff who face the students regularly.

Standard Operating Procedure for conduct of Examinations

1. The instructions, guidelines and orders issued by the central and state governments concerning the opening of educational institutions and safety and health should be abided by the universities and colleges. However, they may develop more stricter provisions and guidelines, if they find it necessary.
2. In case there is a restriction on movements in certain areas, admit/ identity cards issued to the students should be treated as a pass for the movement of students. State Governments should issue instructions to all local authorities to issue movement passes to invigilators and all personnel engaged in the conduct of examination.
3. Entire examination centre floors and walls, doors, gates, should be sprayed with disinfectant.
4. Fresh mask and gloves to be used by exam functionaries after staff verification is done.
5. Sanitizer bottles should be arranged at the entry gate, examination rooms, staff/observer room, etc. and should be replenished regularly.
6. All liquid handwash bottles should be replenished in restrooms and entry gate whenever required
7. Candidate Seating Area should be thoroughly sanitized (desk and the chair) after every session.
8. All the washrooms should be cleaned and disinfected.
9. All door handles, staircase railing, lift buttons, etc. should be disinfected.
10. Wheelchairs, if present at the examination centres, should be disinfected.
11. All the trash bins should be cleaned.
12. Staff verification and self-declaration as suggested below must be done as soon as they report at the Centre
 - a. Exam functionary must submit self-declaration about health status.
 - b. Thermo gun temperature check must be done at staff entrance point
 - c. If any Examination functionary fails to meet the self-declaration criteria, or thermo gun check, he/she will be asked to leave the examination centre immediately
 - d. Exam functionary needs to wear the mask and gloves at all time
13. Cleanliness and hygienic conditions as per safety and health advisories of the concerned government departments are to be maintained at all places.
14. Proper signages, symbols, posters etc. should be displayed at appropriate place to maintain social distancing.

15. Downloading of 'Arogya Setu' App may be advised for every staff and student of the university and college.
16. Adequate arrangements of thermal scanners, sanitizers, facemasks, and hand gloves at all entry and exit points including the reception area. Wherever possible, students should be given fresh face masks by the Invigilators in the examination room itself.
17. Avoid crowding at entry and exit points.
18. Opening all the gates, of entry and exit, in case HEIs have more than one gate.
19. Senior staff should monitor the entry and exit. There should be proper markings with at least 2 meter distance where students stand while waiting for opening of the college gate. Exit of students should be permitted one by one only.
20. Thermal Screening of students, wearing of face mask, sanitizing of hands etc. be ensured.
21. The Invigilators, while on duty, should be continuously wearing mask, and proper hand gloves.
22. The students should be asked to sanitize their hands before and after signing the Attendance Sheet.
23. Students having symptoms of fever, cough and cold should be either made to sit in a separate room or given a chance to appear on another day.
24. Hand washing stations with facilities of liquid soap should be made available so that every student can wash her/his hand frequently.
25. Keeping in view the physical distancing, institutions should have adequate rooms capacity to meet the proper seating arrangement for examination. Minimum distance between two students should be 2 meters. **Sample seating plan is annexed.**
26. Adequate arrangements for safe drinking water be made on the campus.
27. Adequate supply of water in toilets and for hand washing be ensured.
28. Dustbins must be cleaned and covered properly.
29. Proper sanitization of buses, other transport and official and vehicles of the institution.
30. **At the end of the day-**
 - a. Used gloves and masks should be disposed only in a pedal push covered bin at the Examination Centre and outside the examination room/hall.
 - b. Safely dispose off all used masks and gloves discarded at the examination centres or outside the examination centre in trash bin bags at suitable place and as per standard guidelines issued by health authority
31. **Maintain record of all exam functionaries**
 - a. Record of all exam functionaries will be maintained in the system for future reference and traceability.
 - b. Invigilator records are maintained in the system through staff verification processes.

Name and number of other staff such as Housekeeping, Security Guards, etc will be maintained.

UNIVERSITY GRANTS COMMISSION

UGC Revised Guidelines on Examinations and Academic Calendar for the Universities in view of COVID-19 Pandemic

Introduction

The University Grants Commission (UGC) has issued Guidelines on Examinations and Academic Calendar for the Universities in View of COVID-19 Pandemic and Subsequent Lockdown on 29th April, 2020. In these Guidelines it was proposed to conduct the examinations in July 2020. The said Expert Committee was requested to revisit the Guidelines for Examinations and Academic Calendar as the number of COVID cases are still rising and likely to increase further. The Report of the Expert Committee was considered and approved by the Commission in its emergent meeting held on 6th July 2020.

In continuation to earlier Guidelines issued on 29.04.2020 and based on the Report of the Expert Committee, the following *Revised Guidelines on Examinations and Academic Calendar for the Universities in view of COVID-19 Pandemic* were also approved by the Commission in its emergent meeting held on 6th July 2020:

GUIDELINES

In view of the emerging situation related to COVID-19 pandemic in India, it is important to safeguard the principles of health, safety, fair and equal opportunity for students. At the same time, it is very crucial to ensure academic credibility, career opportunities and future progress of students globally. Academic evaluation of students is very important milestone in any education system. The performance in examinations gives confidence and satisfaction to the students and is a reflection of competence, performance and credibility that is necessary for global acceptability.

1. Mode of Terminal Semester/ Final Year Examinations (2019-20)

The universities are required to complete the examinations by the end of **September, 2020** in offline (pen & paper)/ online/ blended (online + offline) mode following the prescribed protocols/ guidelines related to COVID-19 pandemic.

2. Provision of Examination through Special Chance

In case a student of terminal semester/ final year is unable to appear in the examination conducted by the University for whatsoever the reason(s) may be, he/she may be given opportunity to appear in special examinations for such course(s)/ paper(s), which may be conducted by the university as and when feasible, so that the student is not put to any inconvenience/ disadvantage. The above provision shall be applicable only for the current academic session 2019-20 as a one-time measure.

3. Backlog of Papers in Respect of Terminal Semester(s)/ Final Year Students

The students of terminal semester/ final year students having backlog should compulsorily be evaluated by conducting examinations in offline (pen & paper)/ online/ blended (online + offline) mode as per feasibility and suitability.

4. The guidelines regarding intermediate semester/ year examinations will remain unchanged as notified on 29th April, 2020.
 5. The relevant details, if need be, pertaining to the Admissions and Academic Calendar in the universities and colleges shall be issued separately in place of those mentioned in the earlier guidelines issued on 29th April, 2020.
 6. Notwithstanding the above guidelines regarding conduct of examination and commencement of next academic session, every university/ institution has to ensure that it is prepared in all respects to carry out the academic activities following necessary protocols/guidelines/directions/advisories issued by the Central/State Governments and MHRD/ UGC from time to time, in view of COVID-19.
