Report on "LECTURE SERIES ON RESEARCH WRITING: WORKING WITH MENDELEY & ZOTERO"

Department Collaborated : Electronics and Communication Engineering
Date of Conduction : 28th May 2022
Mode of Conduction : Offline
No of Participants : 20

Quality Assurance and Skill Development Center, New Horizon College of Engineering organized a lecture series on Research Writing to enhance the skills of NHCE-faculty in writing research paper. As a part of the series, a workshop on "Working with Mendeley and Zetero" reference tools is organized in CISCO lab. The speaker was **Dr. Rajesh G, Associate Professor, Department of ECE, NHCE.**

In his talk **Dr. Rajesh G** emphasized the importance of reference tools required while writing a research paper. An overview on the free reference tools viz., **Mendeley reference and Zotero** had helped the faculty to simplify the reference management workflow. The lecture started around 10.00 AM and ended by 10:45 AM. The participants about 20 members have actively participated in the session and interacted with the speaker and clarified their doubts. The participants found the lecture extremely informative and invited for a hands-on session further.
