Report on “LECTURE SERIES ON RESEARCH WRITING: LaTeX Typesetting”

Date of Conduction : 25th June 2022
Mode of Conduction : Offline
Venue : Cisco Lab/ Dept. Of ECE
No of Participants : 20

Quality Assurance and Skill Development Center, New Horizon College of Engineering organized a lecture series on Research Writing to enhance the skills of NHCE-faculty in writing research paper. As a part of the series, a workshop on “LaTeX Typesetting” is organized in CISCO lab. The speaker was Dr. Ashok K, Senior Assistant Professor, Department of ECE, NHCE.

In this talk, Dr. Ashok K conducted a hands-on session on LaTeX tool. He made awareness about overleaf, an online LaTeX tool and participants were made to draft a ppt template using LaTeX beamer. He emphasized major keywords used in LaTeX, how to insert equations, tables and bibliography in LaTeX . The session started around 10.15 AM and ended by 01:15 PM. There were **20** members who have actively participated in the session and interacted with the speaker and clarified their doubts. The participants found the lecture extremely informative and invited for an extended session covering more insights on inserting table and other aspects.
