The Office of the Dean of Academics and QASDC at New Horizon College of Engineering, in collaboration with the Department of Information Science and Engineering, organised a faculty training programme for faculty members and technical staff from various departments at New Horizon College of Engineering. On 11-07-2022, 12-07-22, 13-07-22, and 25-07-22, faculty and technical staff from across the department attended faculty training sessions. Dr. Manjunatha, Principal, NHCE, opened the event at 10:00 a.m. on 11/07/22 with a welcome speech and a brief description of Smart Board++. Ms. Sumitha, Senior Product Manager, Senses electronics Pvt. Ltd., Bangalore, was the day's speaker. The primary goal of the FTP is to investigate the key features of a smart board and to use it efficiently and effectively in the classroom. The faculty members interacted with the resource person in a variety of ways.
