

Activity 4: IEEE Orientation and Panel Discussion

Date of Conduction	: 20th July 2022
Mode of Conduction	: Offline
Venue	: Auditorium, NHCE
No of Participants	: 227

The IEEE NHCE Student Branch conducted an Orientation Program and Panel Discussion on the 20th of July, 2022. The event started with a welcome address which was followed by the lighting of the lamp ceremony by the speakers and the faculty coordinators. About 300 students attended the program.

After a brief introduction the volunteers of the IEEE NHCE Student Branch began a presentation through which they conveyed to the audience what IEEE is and its purpose. They went on to discuss the significance of the IEEE Bangalore Section and how a few students were volunteers for the same. This was followed by introducing the students to the IEEE NHCE Student Branch, Affinity Groups, Chapters and the events conducted by them as well as a brief overview of the kind of student activities it has to offer. Lastly, Membership benefits were talked about and the students were made aware of how having an IEEE Student Membership is important to them.

The orientation was followed by a Panel Discussion which had Ms. Roobini G, Mr. Prithvi Raj R and Mr. Srinidhi S as the key speakers wherein they discussed with the Chair of IEEE NHCE Student Branch, Peerzada Anzar Azmat about the benefits of being a part of the IEEE community having worked closely with the IEEE Bangalore Section.
