Agenda:

1. Review of Calibration Reports from Engineering Departments
2. Issues related to instruments, if any

The Principal welcomed all the members of the committee and chaired the meeting. The agenda were taken up for discussion:

1. The calibration reports of all engineering departments were presented to the committee.
2. All departments are doing regular calibration of instruments for smooth conduction of laboratories.
3. No major issue was reported by any department which needs the attention of the committee.

The Member Secretary appreciated members for their presence and involvement in the discussion.
