NHCE / ACM /25th Feb /2022

To,

Dr. Mary Cherian,
Prof., Dept. of CSE,
A.I.T. Bangalore

Respected Sir,

Sub: Invitation for the Academic Council Meeting

This is to bring to your kind notice that an Academic Council Meeting is planned on Friday 25th Feb 2022 in **blended mode** at 2:30 pm onward. Online meeting google link will be sent to you day prior.

We are so much privileged to have your esteemed self as one of the experts from outside the college whose knowledge can guide us in achieving more heights.

Sir, we kindly request you to make it convenient to attend the ACM.

Thanking You

With Warm Regards

NEW HORIZON COLLEGE OF ENGINEERING
ACADEMIC COUNCIL MEETING –AY 21-22

AGENDA

Date: 25/02/2022

Venue: Conference Hall, Chhatrapathi Shivaji Block/Blended Mode

Time: 02:30 pm

AGENDA Points:

1. BOS –Initial Discussion of BE scheme & syllabus for NEP 160 credits for all the departments- Revisited
2. Discussion on Ability Enhancement Courses for all the programs for 160 Credits.
3. Discussion on Research Outcomes.
4. KSCST Project Proposals Submission.
5. Guidelines for Syllabus Coverage and CIE Conduction - Lateral Entry Classes.
6. Guidelines for BOS Conduction across the departments.
7. Calendar of Events for Commencement of Even Semester-2021-22.
8. Innovative Teaching Methodology by Faculty across all the departments.
9. General Suggestions
10. Any other points for discussion with the permission of the Chairman.

Members of the Academic Council

VII	Dean Academics - Member Secretary	1	Dr. Amarjeet.Singh

MINUTES OF THE MEETING

Welcome address by the Chairman of the Academic Council

The Chairman of the Academic Council formally welcomed all the members and informed them that the meeting is being conducted online due to the pandemic situation prevailing in the country. He once again welcomed all the members of the ACM for the meeting and requested the Member Secretary to continue with the proceedings.

AGENDA 1

BOS – Initial Discussion of BE scheme & syllabus for NEP 160 credits for all the departments- Revisited

- a) Ratification of the credit distribution and syllabus of B.E & P.G program of the following branches as recommended by the respective BOS
 - a. Basic Science (Physics, Chemistry, & Mathematics)
 - b. Automobile Engineering
 - c. Artificial Intelligence & Machine Learning
 - d. Computer Engineering
 - e. Civil Engineering
 - f. Computer Science and Engineering
 - g. Electronics and Communication Engineering
 - h. Electrical and Electronics Engineering
 - i. Information Science and Engineering
 - j. Life Skills
 - k. Mechanical Engineering
 - l. Management Studies
 - m. Master of Computer Application

Basic Science (Physics, Chemistry, & Mathematics)

- The Dean-Academics presented the scheme and syllabus for I year B.E as per the VTU guidelines NEP 2020 (160 credits) and the same was approved by the members of the Academic Council.

AGENDA-2

Discussion on Ability Enhancement Courses for all the programs for 160 Credits.

- The Dean of Academics suggested the Ability Enhancement courses (NEP) be included across all the departments based on the Industry needs and students' competence.
- The scheme and syllabus of the Department of Information Science and Engineering were presented for the same and Ability Enhancement Courses "Life Skills for Engineering", "Problem Solving Using C", and "Web Internet Programming" was discussed.
- Course Code and Credits for AEC were approved.

AGENDA-3

Discussion on Research Outcomes

- Suggestions with respect to Faculty paper publications in Scopus and Q1, and Q2 Journals were discussed.
- With consent from all the HODs and Deans, students were informed to publish their project work at IEEE Conferences

AGENDA-4

KSCST Project Proposals Submission

- Dean of Academics focused on the importance of the Karnataka State Council of Science and Technology (KSCST) project proposals – 45th series and informed all the HODs to encourage students to submit the proposals.
- 65 Projects were sanctioned under the KSCST-45th series.
- Mid-term evaluation guidelines were discussed.

AGENDA-5

Guidelines for Syllabus Coverage and CIE Conduction - Lateral Entry Classes

- Check on Syllabus coverage and CIE conduction for Lateral entry students were discussed and approved by all the HODs.
- Readiness on the Lateral Entry students for SEE exams and suggestions to improve the same were discussed.

AGENDA-6

Guidelines for BOS Conduction across the departments

- Dean of Academics suggested the Board of Studies (BOS) meeting be conducted across all the departments with an External Member from the IITs, NITs, IIITs, and IISc, the importance of the same was discussed.
- Common guidelines and protocols to adhere with respect to NEP were engrossed.

AGENDA-7

Calendar of Events for Even Semester-2021-22.

- The 6th and 8th semesters were decided to start from March-9th and the 4th semester from April 4th, and the guidelines for the same were discussed and approved.

AGENDA-8

Innovative Teaching Methodology by Faculty across all the departments

- The Dean of Academics suggested all the faculty to follow an Innovative teaching method for their respective courses and document the same, the importance of same was discussed.

AGENDA-9

General Suggestions

- Suggestions to improve the Teaching-Learning process with Innovative teaching methods.
- Minimum one Expert Lecture per semester by an External Speaker from anyof the reputable Foreign Universities.
- MOU
- Minimum 10 hours of Industry lecture per section per semester, ensuring varied Industry Speakers were suggested and discussed.

The forum would be open for further discussion and advice

Members expressed overall satisfaction with the curriculum and the suggestions.

Vote of Thanks by Member Secretary

The Member secretary expressed his sincere thanks to all the members for attending the meeting and also for their valuable input. The Chairman of the Academic council once again thanked all the members and formally concluded the meeting.

NEW HORIZON
COLLEGE OF ENGINEERING

Autonomous College Permanently Affiliated to VTU. Approved by AICTE & UGC
Accredited by NAAC with 'A' Grade, Accredited by NBA

Dear All,

Greetings !

We all, are well aware that, introducing various pedagogies in our day to day teaching, will motivate students' to be more engaged in classes and also subsequently their learning quotient increases.

A list of such learning approaches is enclosed for your reference, and the list can also be augmented as per the innovations from the department. Let's motivate the faculty to incorporate minimum of one such pedagogy , every month. (One class room session out of 16 sessions). Slowly this habit of using innovation in teaching, will come into daily routine, soon.

A report template is also enclosed , which every faculty can use for documentation, after they incorporate any of the innovative practices in their classroom.

NEW HORIZON COLLEGE OF ENGINEERING

Autonomous College Permanently Affiliated to VTU, Approved by AICTE & UGC
Accredited by NAAC with 'A' Grade, Accredited by NBA

PEDOGOGICAL METHODS

SLNO	PEDOGOGICAL METHODS	EXPLANATION
1.	Lecturing approach	A teaching method comprises the principles and methods used by teachers to enable student learning.
2	Activity based learning	In Activity-based Learning, education takes a child-centred approach. This approach develops self-learning skills and encourages children to study according to their skills.
3.	Discussion approach	The discussion method is one in which the students and the instructor exchange their ideas in order to get a better understanding of a topic
4.	Experiential learning approach	Experiential Learning is the process of learning by doing. By engaging students in hands-on experiences and reflection, they are better able to connect theories and knowledge learned in the classroom to real-world situations.
5.	Collaborative learning approach	A collaborative (or cooperative) learning approach involves pupils working together on activities or learning tasks in a group small enough to ensure that everyone participates.
6.	Games and simulation approach	Simulation and Gaming refers to a series of instructional designs that use elements from simulation and gaming. Simulation and Gaming can be done with board games, computer assisted board games, or fully computerized environments.
7.	Team based/cooperative learning	Team-based learning (TBL) is defined as “an active learning and small group instructional strategy that provides students with opportunities to apply conceptual knowledge through a sequence of activities that includes individual work, team work, and immediate feedback”
8.	Case based learning	Case-based learning, or, the case method, is a student-centered learning approach. This method uses cases –

		hypothetical, or real-life problems – to supplement theoretical knowledge.
9.	Problem solving approach	A problem-solving approach is a technique people use to better understand the problems they face and to develop optimal solutions
10.	Design thinking approach	In a Design Thinking classroom, both teachers and students engage in hands-on design challenges that focus on “developing empathy, promoting a bias toward action, encouraging ideation, developing metacognitive awareness and fostering problem-solving” .
11.	Inquiry guided approach	Guided inquiry is a type of inquiry-based learning where a teacher provides scaffolding to guide the students through their inquiries.
