About HRD

New Horizon College of Engineering (NHCE) aims to create able engineers and business managers who are equipped with life skills, such as providing solutions to complex problems, re-engineering processes, and adding value to businesses. The required skills, beyond the academic curriculum, enhance the overall capability of each student. The department of Human Resource Development channelizes individual talent of the student towards the acquisition of skills and abilities most-relevant to the current needs of the industry. It is the pivotal center liaising between the students, the alumni, the faculty, and the recruiters.

The Department of HRD comprises three divisions viz., Corporate Relations, Learning & Development, and Placements. The collaborative efforts of these divisions ensure student readiness as per industry standards. The diverse training programs along with a plethora of industry interactions and rigorous exposure to cutting edge technologies prepare students for the corporate world. Hence, New Horizon College of Engineering has always been the preferred institute of corporates for fresh talent acquisition.

Vision

Enable Engineering and Management Studies students to launch careers into their dream organizations.

Goal

To provide training on life skills, career guidance and placement opportunities to 100% students studying in New Horizon College of Engineering.

Mission

Provide opportunities to students, to interact with corporate executives. Prepare Horizonites on industry required skills from time to time.

Quality Policy

Best students to be placed in top service, core/product multi-national companies. Others to be groomed as per their developmental needs to explore opportunities in suitable organizations.

The logo for HRD (Human Resource Development) is displayed in a bold, dark red font within a white rectangular box with a thin red border.The text "Corporate Relations" is centered in a dark blue font within a white rectangular box with a thin blue border.The text "Industry Institute Interaction Cell" is centered in a dark blue font within a white rectangular box with a thin blue border.The text "Learning & Development" is centered in a dark blue font within a white rectangular box with a thin blue border.The text "Center For Life Skills & Life Long Learning" is centered in a dark blue font within a white rectangular box with a thin blue border.The text "Placements" is centered in a dark blue font within a white rectangular box with a thin blue border.

Industry Institute Interaction Cell (IIIC)

The purpose of Industry Institute Collaboration Cell, which is referred to as IIIC hereon, is to ensure a paradigm shift in the thought process of a New Horizon student from J2C (Job to Career). This should lead a student towards the identification of a SMART CAREER GOAL. IIIC aims to work towards making New Horizon College of Engineering a respectable and most sought-after Engineering college, which provides the best amalgamation of Innovation, entrepreneurship development, skill up-gradation, passion and aptitude along with sound theoretical subject knowledge. This in turn makes our students' industry-focused and innovators of tomorrow so that they can pursue their passion and think beyond a job.

Internships / Visits

- Enable Industry Exposure
- Enable Employability Skills
- Exposure to live projects

Industry Alignment

- Align aspirations of the students with the needs of the Industry
- Students understand Customer's Specific & Focused Approach of Industry
- Implementation of projects in groups focusing on Team Management and Team Work

Industry Integration

- Leveraging Networking and Collaboration with Partnership
- Career counselling and Planning by Industry Experts and Leaders
- Regular Interaction with Industry by way of Webinar, Seminar, Conference, Meet-ups, Etc

Center of Excellence

- Setting up of Industry Labs in accordance with Industry Guidelines
- Create learning processes based on a thorough knowledge of best practices in the industrial circuit
- Continuous Up-gradation and Improvisation of Industry Relevent Courses

Center For Life Skills And Life-long Learning (CLSLL)

The centre for life skills and lifelong learning through its courses, instills among students a passion for lifelong learning in pursuit of knowledge, to make them sustainable, competitive and employable. It is committed to impart necessary skills to students and help them succeed in college, work and life. Integration of life skills in the curriculum serves the need to redefine and reshape the global landscape of learning.

Courses on Communication

- Communicative English
- Professional Writing Skills
- Managerial Communication
- Life Skills for Professionals

Life Skills

Self Awareness

Self Management

- Time & Stress Management
- Right Attitude
- Ownership for Leadership

Thinking Skills

- Critical and Creative Thinking

Attitude and Behaviour

Group Dynamics

- Group Decision-making
- Negotiation
- Conflict Management

Pre-placement Training

- Resume Building
- Interview Skills
- Group Discussion

Placements

The selection processes of various companies are constantly changing year after year. Considering the selection process of companies who have visited engineering/management campuses in Bangalore over the past five years, the changes incorporated by them, and the process they follow, the department of HRD has designed a program that equips our students to face their selection process with confidence.

Center for Industry-Oriented Learning

Aptitude Development Program

Technical Domain Skills

Skills Enhancement Training

The Voice of the Industry

The industry experts/recruiters confirm that the comprehensive services offered by the department of HRD contribute to the all-round personality of the student. The placement of students in national and international corporates of repute, stands testimony to this.

The Department of HRD, through its initiatives, establishes a synergy among different stakeholders' viz., students, parents, faculty and the recruiters. Through career guidance and counseling services, students develop the right skills and attitude required to be successful, both in work and life.

International Placements

Name	Branch	Company Placed	CTC (INR)
Harsh Karanwal	CSE	IBJ Japan Inc	27 LPA

Jemima Kyra Jonathan	ME	Fuji Seiko	28 LPA

Infrastructure Facilities

Discussion & Interview Cabins

Air-conditioned discussion and interview cabins are equipped with conference call and Internet facilities. Corporates conduct group discussions, face-to-face technical, and HR interviews in these cabins. The Executive Training Center can accommodate 65 students in cluster seating. The center is equipped with LCD, Plug-in internet connection, audio speakers, etc. Corporate Executives utilize this center to interact with students and conduct training sessions and webinars.

Campus Recruitment Facilities

New Horizon College of Engineering has state-of-the-art infrastructure facilities to conduct training programs and campus recruitment events.

Seminar Halls / Auditorium

Two spacious Seminar Halls, each with a seating capacity of 200, are available for branch-wise group activities. All Pre-placement presentations by Corporates are conducted in the auditorium, which has a seating capacity of 700.

Japan Career Center

Japan Career Centre is established at NHCE to facilitate International Placements and Internships. The objective of the Indo-Japan Career Center is to act as a bridge between Japanese companies and talented students in India. The center not only facilitates the recruitment of fresh talent in India, but also prepares the recruited talent for assimilation into the Japanese workplace.

I am immensely grateful to the MCA department and the placement department for providing me with an exceptional learning experience and a rewarding career opportunity. The faculty members of the MCA department have imparted in-depth knowledge and practical skills, enabling me to build a strong foundation in computer science. Moreover, the placement department has left no stone unturned in bringing some of the top companies to the campus and provided me with numerous job opportunities to choose from. Thanks to their tireless efforts, I have secured a job in a prestigious organization, and I owe it all to the MCA department and the placement department. I highly recommend this institution to anyone who aspires to pursue a career in computer science.

Name: Suma C. M | Branch: MCA

"One of the things that I appreciate most about NHCE is the emphasis they place on practical, hands-on learning like labs, projects and internships, building a strong foundation for our future career. Moreover, the ECE department faculty at New Horizon are exceptional in their fields and were always available to assist. Thanks to the excellent training and support provided by NHCE's placement cell that helped me land an international job offer from a Japanese company 'MI MAZE'."

Name: Preethisree. V | Branch: ECE

I studied my four years of engineering in the Computer Science Department and they have helped me with the necessary skills I need to face the IT world outside. To mention a few are the Big Data lab courses, which helped me secure my job with an 8.5LPA. But it could have never been done without the caring nature and backbone of our placements - The HRD Department. Thanks to them and the students of NHCE and our dearest chairman sir for a wonderful 4 years of life and a bright Future Ahead!

Name: Karthikeyan Umesh | Branch: CSE

Coming to the last semester of my college, when I look back, it fills my heart with thrill and joy remembering the initial years of the college. Looking in the mirror, I truly feel that the years I spent in the college made me transform myself into the person with a complete package who is ready to face and win any battle of life, come what may. It is said that sometimes we cannot repay for what we have got from others but atleast a word of gratitude should not be snatched from them and with the same hopes I would like to thank the chairman, the faculty members of the entire ED department and most importantly the teachers of my ISE department for making me achieve what I have today and also elevating my personality to an excellent level. I wish a very bright future for all the people mentioned above.

Name: Aman Kumar Jha | Branch: ISE

I am from EEE dept., 2019 to 2023 batch and I have been placed in a Japanese IT firm with a package of INR 27 Lacs. Both the EEE and the placement depts have helped me build confidence and face the international placements. The HRD portal channelised the skills with aptitude, exercises, learning videos and periodic tests. The EEE dept gave in-depth knowledge in the core subjects. The association with the college will always be remembered with fond memories and gratitude.

Name: Ritika Kapoor | Branch: EEE

New Horizon college of engineering has been a great platform to channelize my interests and develop a thirst for learning and exploring different fields. It has provided me numerous options and let me find out what suits me the best. The New horizon college placements made finding the right job for me way more easier. It brought me a step closer to my aspirational dreams by providing a challenging role in TCS. And I whole heartedly express my gratitude to the New Horizon family, management, placement cell and all my teaching and non teaching staff. Last but not least my sincerest thanks to my dearest batchmates who were and are there for me throughout this beautiful journey.

Name: Raghu A | Branch: MBA
