Icebreaker One: Listening Skills

Purpose

To help participants to be aware of listening skill.

Preparation

None -on the spot

Activity

Please ask all the participants to stand up. They have to follow the instructions of the trainer.

Ask the participants to lift the right hand up and then the left hand up, hold the fist and rotate both the hands faster and faster and place it on your chin whereas the trainer as the participants are observing she will place both the hands on the cheeks and then say statue n freeze.

Participants usually observe the trainer and just follow blindly, however, the participants who have the skills are keenly listening and observing they will place the hands on the chin.

Key Learning:

Participants who have the listening skills will think through and follow correctly whereas, the other participants will follow blindly.

Always observe keenly and listen carefully to follow the instruction.

This Activity will take about 5 – 15 minutes, depending on the number of participants.

Icebreaker Two: Rubber band Activity

Purpose

To help participants get to know each other maintain good healthy relationship and inter personal skills

Materials Required

Pack of Rubber bands

Preparation

None

Activity

Divide the meeting participants into groups of three or four (depending on the number of participants) then ask them to form a circle. Ask all the participant to show thumbs up and the elbow stuck to the body. Distribute one rubber band to each participant, place one rubber band on one end on the thumb of two participants. Now ask the participants to take 2 step back, as the rubber band expands the participants will feel the stretch and the pain. Now ask the participants to step out and step in. As they feel the pain, we ask them step in forward as they will feel comfortable.

Key Learning:

The rubber band is often used as an analogy to describe resilient people. The comparison is that the rubber band can get stretched and put under pressure but when it stops being stretched it bounces back to its original size and shape. Elasticity becomes a synonym for resilience.

This is compared to in terms of relationships and inter personal skills, professionally and personally. Farther we go we disconnect ourselves, we lose our connections and we don't work together. We care for each other. We collaborate on work resulting in Win situation, as to maintain good healthy relationship and inter personal skills

This icebreaker takes about 5 – 15 minutes, depending on the number of groups.

Icebreaker Three: Paper Tear Activity

Purpose

To help participants to develop Listening skills

Materials Required

Plain A4 sheet of paper for each participant

Preparation

None

Activity

Distribute one paper to each participant to the whole group. Ask them to listen carefully and follow the instructions. The trainer instructs everyone to lift the paper and fold it into half and tear out the right edge core of the sheet.

Later fold again and tear the left edge corner, then fold the paper again and tear the right edge corner of the sheet. The open the page, the participants sheet of paper has to resemble to the paper sheet of the trainer.

You will have a hole in the middle of the sheet of paper.

Key Learning:

To help participants develop keen listening skills

This icebreaker takes about 10 – 15 minutes.

Conclusion

The two hours training program helped the staff members to enhance their confidence level along with listening skills for self branding. This also helps them to visualize themselves for next two years.

Recommendations

The management should schedule more training for all the newly joined employee for teaching and non-teaching Faculty members to enhance their performance for Professional excellence.
