## Revised- CIRCULAR

**Sub: Inviting Applications for Registration to B.E. / B.Tech. Honours Degree Programme for the academic year 2022-23 -reg.**

**Ref: VTU/BGM/SA(1)B.E.(Honors)/2022-23/5560, Dated 29.12.2022  
VTU/MYS/VTU-COE/2023-24/38, Dated 12.08.2023**

The Honor degree provisions aim to facilitate the award of higher qualifications and recognition to well-performing undergraduate students of the University for acquiring additional credits in the same time period for the programs.

According to resolution 2.2.2 of the 172nd EC meeting held on May 17, 2023, the eligibility to register for the honors program, which was 8.5 CGPA up until the fourth semester of the Engineering Degree program, has been lowered to **7.5 CGPA**.

All NPTEL courses for honors degree programs will be made available **through the VTU website @ <http://www.online.vtu.ac.in>**

The convenience of the courses available through the VTU website includes;

- The advantage is that this honors course's **test schedule won't conflict** with that of the major degree program. The students are able to take all of the NPTEL course exams **without missing any**.
- All students have access to the NPTEL courses until they get their major degree as per the honors program's regulations.
- Students who successfully complete an honors course will receive a **certificate from the university**. Students who are unable to finish 18 credits of courses before receiving their degree also receive a **certificate** from the University for their **Completed Credits Courses**.
- Only **registration** to the honor's degree program and **examination** fees apply no fee for course enrollment.
- The courses are also **open to students and faculty** who like to take a few NPTEL courses but do not wish to apply for honors. The University will issue a **certificate** to such students/faculty members.
- All PG students must complete the separate list of NPTEL courses made available @ **<http://www.online.vtu.ac.in>** (recommended by the BOS) for finishing the online courses as per the curriculum.
- In order to arrange for students' preparation and examination appearance, notification for enrollment and the examination schedule will be released well in advance by the Center of Online Education (COE).
- Students who sign up for the honors program are required to **enroll** in the NPTEL courses that are exclusively available through the VTU web platform.
- All PG students have to enroll in the courses that are separately mentioned for their program on the VTU website @ **<http://www.online.vtu.ac.in>**.

All interested students must register for the honors program via the provided link and must have a CGPA up to the fourth semester of not less than 7.5.
