

# **NEW HORIZON COLLEGE OF ENGINEERING**

## **ALUMNI ASSOCIATION**

### **COMMITTEE MEMBERS FOR THE YEAR 2024**

#### **A REPORT ON SWEARING-IN CEREMONY**

On February 10, 2024, the swearing-in ceremony of the Alumni Association committee members was held at the Tejas Seminar Hall in New Horizon College of Engineering. The event was attended by all Alumni Association Committee members, including the Principal, Director of the Library and Alumni Association, HoDs, Alumni Faculty Coordinators, and students.

The event commenced with a melodious invocation song by a student, followed by the lighting of the lamp by the dignitaries. The committee members were introduced to the audience by the Director of Alumni Relations, who provided an insight into the vision and mission of the Alumni Association.

Mr. Chetan Naidu, former president of the Alumni Association Committee, presented a report on the various alumni activities conducted during 2022 and 2023. This was followed by the main ceremony of handing over ID cards and mementos to all the newly elected committee members. Dr. Anitha S. Rai administered the oath taken by all committee members, promising to fulfill their duties and conduct activities that would benefit the overall growth of the students.

The Principal welcomed all the committee members, appreciated their achievements as professionals, and addressed the committee members. The Alumni Committee will be an integral part of college activities such as placements, seminars and workshops, guest lectures, and career guidance for the current students, and will show active participation in all activities carried out by the Alumni Association.

The program concluded with a vote of thanks and the National Anthem.
