Targeted Audience: All B.E. Students

Description of the Event:

On 18th January 2024, the Techforge club orchestrated an enlightening and immersive event, a two-hour-long seminar on "Generative AI and Career Counseling" for students.

The event commenced with an engaging guest talk from an esteemed expert in the field of Generative AI. The speaker, Mr. Shakti Mishra, Development Manager, SAP Labs, brought a wealth of knowledge and experience, shedding light on the fundamental concepts, breakthroughs, and real-world implications of Generative AI. Attendees had the opportunity to delve into the intricacies of machine learning, and the innovative ways in which these technologies are shaping industries across the globe.
