

# NEW HORIZON COLLEGE OF ENGINEERING

## REPORT ON SEVA DAY

New Horizon College of Engineering organised a visit to “SEVA DAY” on 17<sup>th</sup> December 2022, conducted by Hindu Seva Parishthana at PES College ground. 104 students from NHCE, NHCM & NKCK visited to SEVA DAY.

Hindu Seva Prathishthana organized SEVA Day as a way to bring together like-minded individuals who give their time for service-based organizations and those who are interested in participating in these organizations’ community service projects.

This event also facilitates networking opportunity and possible employment with different NGO sector in coming year for the participating youths. In this program many Seva organizations, NGO are participated and shared the activities, existing and new project, role and opportunities in their organizations.

### Outcome of the event

- Exposure to Variety of Seva Programs
- Opportunity of Internships
- Seva Project work and Project Management exposure How to render services in Seva Projects
- Network opportunity

Students from every college received an access band and some refreshments prior to the program, program started at 10 AM. Students saw an overview of the social work organizations. A few motivating speakers were introduced to the students, and some of the students had the opportunity to meet Dr. Sudha Murthy, who is revered by many. Students have got the opportunity to interact with service-based organizations which provides social activity based Internships, and projects.
