

On the 8th of May 2024, the Alumni Association and the Department of Applied Sciences had organized an insightful Alumni Talk titled "The Journey from Zero to One: Turning Your Idea into Reality." The distinguished speaker for the event was Mr. Vaibhav Sharma, an accomplished alumnus who is the Founder of Cope Studio and Dehidden.

Mr. Vaibhav Sharma commenced the talk by expressing his gratitude for the opportunity to share his experiences with the students. He emphasized the significance of transforming ideas into tangible realities and outlined the key steps involved in this journey.

Key Points Covered:

- 1. Vision and Ideation:** Mr. Sharma highlighted the importance of having a clear vision and a well-defined idea before initiating any project or venture. He encouraged the audience to explore their passion and identify problems that they are passionate about solving.
- 2. Persistence and Resilience:** Drawing from his personal experiences, Mr. Sharma emphasized the need for persistence and resilience in facing challenges and setbacks. He shared anecdotes from his entrepreneurial journey, illustrating how perseverance can ultimately lead to success.
- 3. Execution and Adaptability:** According to Mr. Sharma, execution is paramount in bringing ideas to life. He stressed the significance of taking consistent action and adapting to changing circumstances along the way. Flexibility and agility, he asserted, are crucial for navigating the unpredictable nature of entrepreneurship.
- 4. Leveraging Resources and Networking:** In order to succeed, Mr. Sharma underscored the importance of leveraging available resources and building a strong network of support. He encouraged the audience to seek mentorship, collaborate with like-minded individuals, and utilize technology to their advantage.
- 5. Impact and Legacy:** Towards the conclusion of his talk, Mr. Sharma reflected on the broader impact of turning ideas into reality. He encouraged the audience to aspire not only for personal success but also for creating positive change in their communities and leaving a lasting legacy.

In summary, Mr. Vaibhav Sharma delivered an inspiring and informative talk on "The Journey from Zero to One: Turning Your Idea into Reality." His insights resonated deeply with the audience, motivating them to pursue their entrepreneurial aspirations with passion, persistence, and purpose.

NEW HORIZON
COLLEGE OF ENGINEERING

The Alumni Association and the Department of Applied Sciences extend their heartfelt thanks to Mr. Sharma for sharing his valuable expertise and experiences. The event concluded with a networking session, providing attendees with an opportunity to interact with the speaker and fellow alumni, fostering collaboration and knowledge exchange.
