

NEW HORIZON COLLEGE OF ENGINEERING

REPORT ON ETHNIC DAY

New Horizon College of Engineering hosted its annual Ethnic Day on June 8, 2024, a vibrant and colourful celebration that honoured the diverse cultures represented within the college community. This grand affair was a much-anticipated event, meticulously planned and enthusiastically executed, reflecting the college's commitment to cultural diversity and inclusion.

The grounds were adorned with decorations representing various cultures, including colourful banners and traditional artwork. Students, faculty, and staff dressed in traditional attire from their respective cultures, adding to the festive atmosphere and creating a visual spectacle of colours and patterns.

The event commenced with a traditional dance performance by NHCE students. This was followed by the music segment, which was equally captivating, featuring a variety of performances that showcased the musical talents of the college students.

One of the most eagerly awaited segments of Ethnic Day was the Mr. Ethnic and Ms. Ethnic competition. These competition was designed to celebrate the cultural diversity and traditional attire of the students, highlighting their cultural knowledge, talents, and presentation skills.

Series of entertainment kept the audience engaged and highlighted the exceptional talents and cultural pride of the participants.

Mr. Ethnic and Ms. Ethnic awarded to Mr. Rounak, BE, 4th year , Department of computer Science and Srusti Hiregoudar, BE, 3rd year, department of Information Science simultaneously.
