Event description:

- 23rd April, on the occasion of World Intellectual Property Day, the STEM club in association with the IIC organized WIPO, an art exhibition with the theme 'Protection of intellectual property rights'.
- Students enthusiastically showcased their artwork, demonstrating their creativity, whilst conveying the message of safeguarding intellectual property rights.
- WIPO drew the attention of students and teachers alike as they actively engaged with the participants asking questions and better understanding the theme of the event.
- Dr. Sujin Jose was the judge for the event.
