Instruction to invigilators/lab Examiners

Dear Invigilators,

As we gear up for the upcoming theory examinations, please adhere to the following guidelines to ensure a smooth and fair examination process:

1. Attendance and Punctuality:

- All invigilators must report to the COE office 30 minutes before the commencement of the examination. Invigilators should check the material supplied by the Examinations section before going to the Exam Halls, for the correctness in the count of answer scripts as per the seating allotment. Bring the matter to the notice of the COE in case of any discrepancy.
- Please reach the respective examination hall 15 minutes prior to the start of the examination.

2. Verification of Students:

- Verify the hall ticket/ID card of each student before allowing entry into the examination hall. No student should be admitted without a valid hall ticket.

3. Answer Booklet Distribution:

- Hand over answer booklets to students 10 minutes before the examination, ensuring proper seating allocation.
- Do not leave used or unused answer booklets on desks. Exercise caution when distributing booklets, ensuring the correct ones for BE and Postgraduate programs.

4. Distribution of Question Papers:

- Distribute question papers to each student after verifying their Hall ticket for their eligibility of the particular course code after the second bell.

5. Forbidden Materials:

- Ensure students do not possess prohibited items such as written slips, mobile phones, programmable calculators, pouches/wallets, smartwatches, etc.

6. Signature on B-Forms:

- Obtain the signature of each student on the B-Forms after verifying the hall ticket and filled-in details on the answer booklets.
- Please do not pass on the signature sheets among the students. The invigilator has to go to each student and verify the details entered in the signature sheet, answer booklets and affix your signature on the hall ticket, answer booklet, and signature sheet

7. Absenteeism:

- Clearly mark absentees by rounding their USN and writing "ABSENT" in red ink only.

8. Assisting Students:

- Clarify any questions related to exam instructions but refrain from providing assistance with the content of the exam.
- Report any concerns or issues to the DCS/COE immediately.

9. Vigilance:

- Maintain continuous vigilance throughout the examination, moving within the hall to prevent indiscipline and copying.

10. Access to Examination Halls:

- Other invigilators/faculty members are not allowed to enter other examination halls without the consent of the assigned invigilator.

11. Answer Booklet Collection:

- Collect answer booklets personally from students after the examination. Do not allow them to leave the booklets on desks.
- Arrange them as per the B.Form, and hand them over to the officer-in-charge of Examinations.

12. Prevention of Unfair Means:

- Be vigilant to prevent any form of unfair means, and promptly report fraudulent cases to the COE without discrimination.
- The room invigilator will be held accountable for any student who is found guilty by a squad member.

13. Bathroom Breaks:

- Do not allow students to take bathroom breaks unless there is a medical emergency (with a medical certificate), ensuring they are accompanied by an assistant.

14. Forbidden Materials for Invigilators:

- Invigilators should not possess prohibited items such as written slips, mobile phones, electronic gadgets, etc., during exam duty. Strict action will be taken against violators.

15. Compulsory Examination Duty:

- Examination duty is mandatory. In case of emergencies, make alternative arrangements at least one day before the duty. Failure to do so will result in half a day's CL deduction with a warning memo.

We request your strict adherence to these instructions for the successful and fair conduct of the examinations. Your cooperation is utmost importance, and any deviation will be viewed seriously.
