The National Service Scheme (NSS) Unit Cell of New Horizon College of Engineering (NHCE), in collaboration with IITB-AA, organized the Unity Walk 2024, promoting the themes of unity, inclusivity, and non-violence.

The event began at 7 AM, with participants assembling at the Open -Air Basketball Court near the Sardar Vallabhbhai Patel Block. Representatives from IITB addressed the crowd, emphasizing the importance of walking for health and fostering community spirit. They also presented Prof. Hanamant Yaragudri, the NSS Program Officer of NHCE, with “Monastery, Sanctuary, Laboratory book marking 50 years of IITB”.

After a brief photo session, participants, including NSS volunteers, commenced the walk around the NHCE campus, passing by key landmarks such as the Shaheed Bhagat Singh Block, Tango Cafeteria, Amar Jawan Block, Swami Vivekananda Block, Hemu Kalani Block, Chatrapati Shivaji Maharaj Block, the Ganesha Temple, and Nescafe, before returning to the basketball court. The route was followed multiple times, creating an energetic atmosphere throughout the walk.

Once the walk was completed, everyone gathered on the lawn for a group photo. The NSS Unit volunteers distributed refreshments, including water bottles, Maaza Mango juice packets, and Good Day biscuits, providing participants with a chance to relax and socialize.

The event concluded at 9:30 AM, with the participants expressing their appreciation for the efforts of the NHCE Management, Principal, Registrar, HoD-ME, NSS Coordinator, the IITB team, and the NSS Unit Cell volunteers. Their collective effort ensured the success of the walkathon, making it a memorable event that brought the NHCE community together.
