MIS Functionality:

The NHCE Online Inquiry System is a digital platform that allows stakeholders to submit questions, concerns, or requests to an organization and helps to manage and track all incoming inquiries and ensuring they are answered efficiently.

- Prospective students can submit inquiries via the NHCE website.
- Automated email notifications for inquiry confirmation.
- Inquiry data is stored for follow-up and analytics.

The screenshot shows the 'CONTACT' page of the New Horizon College of Engineering website. At the top, there is a navigation bar with various icons and a search bar. Below the navigation bar, the page title 'CONTACT' is displayed in a large, bold font. The main content area is divided into two columns. The left column contains contact information, including two phone numbers (+91-98805 34935 and +91-80-6629-7777) and an email address (admissionsnhce@newhorizonindia.edu). Below the contact information is a Google Map showing the college's location. The right column contains a 'General Enquiry' form with the following fields: Name *, Email (optional), Phone *, USN NO *, and Message *. A blue 'Submit' button is located at the bottom of the form.
