Event Report

Title	Workshop on “Plagiarism in Research Papers for Students”	
Department	Research and Development	
Date	From: 18.09.2023	To: 18.09.2023
Time	From: 02:00 PM	To: 04:00 PM
Brief Description (4-5 Lines Max)	<p>The workshop aims to sensitize the participants on ‘Issues related to Plagiarism’ and how the power of reference manager can be used in their research activities. The focus of the workshop is to provide hands-on training on “Mendeley – a free reference manager” to the participants.</p> <p>Plagiarism is considered as a form of misconduct in scholarly communications. You, as a researcher, must have heard about it; or you might know what it is. However, there exists ambiguity about it in academic community. When does plagiarism occur? Is there any established percentage to determine when plagiarism has taken place? Is there a rule of thumb to determine plagiarism? Are there different types of it? What may be the consequences if plagiarism is detected? How to avoid it? This workshop aims to address these types of questions.</p> <p>The feedback is very positive and encouraging, 43 student members got benefitted from the session.</p> <p>Objectives of the session:</p> <ol style="list-style-type: none"> 1. To help the students to understand the need of publishing rated Journals which are recommended and accepted by various educational institutions. 2. To highlight the various avenues of publications. The generic issues faced by the student during publication 3. To highlight the errors that are committed by students while submission of their research paper to the journal. <p>Outcome of the session: This session benefitted students, by a good understanding of Research publication, generic issues, and plagiarism</p>
