Dear ASHLIN ALEX,

I extend a very warm welcome to you for being a part of the **New Horizon College of Engineering**, (NHCE), one of the premier institutions of India. Our focus is to provide exceptional education and training to all our engineering and management students. The challenging and ever evolving Engineering program at NHCE fosters in-depth understanding of your chosen field, analytical thinking and excellent industry related workshops that keeps a student on their toes and increases curiosity.

I am happy to say that NHCE is accredited by NAAC with an 'A' grade and NBA under Tier-I, **Washington Accord**. NHCE has been **Ranked #121** in National Institutional Ranking Framework-2022 (NIRF) by the Ministry of Human Resource Development, Government of India. We have also had the honour to be ranked as a "**PLATINUM INSTITUTION**" by AICTE -CII Survey of Industry-Linked Technical Institutions 2020.

NHCE has always been in the forefront of Industry collaborations and has established centres of excellence and Industry laboratories with some of the world's leading industries like Schneider Electric, IBM, Capgemini, Automation Anywhere, SAP, HP, Cisco and VM Ware, thus enabling students to become Industry ready and secure top-notch jobs. This is further strengthened by offering pre-placement training to all our students which includes professional communication, life skills, aptitude & personality development, interview skills and CV writing workshops.

The magnificent infrastructure of NHCE sets the right ambiance for an excellent teaching-learning environment combined with the use of the finest technology and innovative teaching methods. These up-to-date technologies have been tremendously successful in facilitating a highly effective learning environment. Our excellence is not just confined to the classrooms; we are also notably active in conducting conferences, workshops, seminars, guest lectures, and other co-curricular activities. It is a well acknowledged and established fact that NHCE practices and promotes 'holistic education' which is remarkably a rich blend of curricular, co-curricular and extra-curricular learning and activities, making us an excellent institution of higher learning!

We strongly encourage you to participate in these activities and showcase your talent which will help you form a great network while instilling values of hard work, discipline, fair play and the spirit of sportsmanship.

Any document related queries, please contact on 9606911080.

Wishing you a great learning, successful career and a happy life.

Dear Samyuktha Ravikumar Thogulva,

I extend a very warm welcome to you for being a part of the **New Horizon College of Engineering**, (NHCE), one of the premier institutions of India. Our focus is to provide exceptional education and training to all our engineering and management students. The challenging and ever evolving Engineering program at NHCE fosters in-depth understanding of your chosen field, analytical thinking and excellent industry related workshops that keeps a student on their toes and increases curiosity.

I am happy to say that NHCE is accredited by NAAC with an 'A' grade and NBA under **Tier-1, Washington Accord**. NHCE has been **Ranked #121** in National Institutional Ranking Framework-2022 (NIRF) by the Ministry of Human Resource Development, Government of India. We have also had the honour to be ranked as a "**PLATINUM INSTITUTION**" by AICTE -CII Survey of Industry-Linked Technical Institutions 2020.

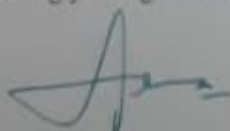

NHCE has always been in the forefront of Industry collaborations and has established centres of excellence and Industry laboratories with some of the world's leading industries like Schneider Electric, IBM, Capgemini, Automation Anywhere, SAP, HP, Cisco and VM Ware, thus enabling students to become Industry ready and secure top-notch jobs. This is further strengthened by offering pre-placement training to all our students which includes professional communication, life skills, aptitude & personality development, interview skills and CV writing workshops.

The magnificent infrastructure of NHCE sets the right ambiance for an excellent teaching-learning environment combined with the use of the finest technology and innovative teaching methods. These up-to-date technologies have been tremendously successful in facilitating a highly effective learning environment. Our excellence is not just confined to the classrooms; we are also notably active in conducting conferences, workshops, seminars, guest lectures, and other co-curricular activities.
