The Attendance page in Contineo LMS provides an efficient way to monitor and manage student attendance. Instructors can easily record daily attendance, track student participation, and generate attendance reports for the entire course. The page offers options to mark attendance for lectures, tutorials, and practical sessions, ensuring complete coverage of all course components. Additionally, it can automate attendance tracking, send notifications for absences, and allow students to view their attendance status in real time. This feature helps ensure accountability, encourages student engagement, and simplifies administrative tasks for instructors.
