LEARNING MANAGEMENT SYSTEM

Contineo is a Learning Management System (LMS) that provides an intuitive platform for managing, delivering, and tracking learning experiences. It enables organizations to deliver personalized learning content, track progress, and assess learner performance all in one place. Contineo focuses on ease of use, scalability, and a seamless user experience, making it ideal for educational institutions.

LMS Link: https://202.62.77.41/sims/

The login page of Contineo serves as the gateway for users to access their personalized learning environment. It typically requires users to enter their credentials, such as a username and password, to securely log in. The page is designed to be user-friendly with options for password recovery and support for various authentication methods. The layout is simple and clean, prioritizing security and accessibility, ensuring a smooth start to the learning journey.

AND

M/s e-Sutra Chronicles Private Limited a Company incorporated under the Companies Act, 1956 represented by its Director Smt. Aparna Mokhasi having its registered office at # 3796, 1st Floor, 13th Cross, 19th Main, Banashankari

1 of 15

2nd Stage, Bangalore-560070, INDIA hereinafter called "e-Sutra" (which expression shall wherever the context so admits include its successors and permitted assignees) of the Second Part

WHEREAS NHCE is one of Karnataka's leading engineering colleges established by New Horizon Education Institutions (NHEI), a trust that manages several education institutions AND

WHEREAS NHCE has been granted autonomous status by VTU in 2015 and is in the 2nd year of operations under autonomy status. In this regard NHCE is seeking a software provider to meet its requirement for managing its core academic, OBE and autonomous functions in a seamless manner.

WHEREAS e-Sutra, established in 2007, is a pioneering IT products company, that has developed India's first and class leading Outcome based Education and Academic Platform for Autonomous colleges branded as 'contineo' - a product that is successfully operational in other leading autonomous colleges for over 5 years.

WHEREAS e-Sutra after detailed demonstration, successful pilot run and discussion with NHCE has made an offer to implement its software solution 'contineo' to suit the requirement of NHCE.

WHEREAS NHCE and e-Sutra have, in this regard, arrived at an understanding in terms of which it is agreed that in consideration of mutual promises the Parties deem it desirable and expedient to reduce the terms and conditions of their arrangement into writing and have the same duly evidenced by way of this agreement.

NOW THIS AGREEMENT WITNESSES AS FOLLOWS:

Scope and Purpose: The parties here by understand and agree that the purpose of this arrangement is to have a complete integrated Student Information, Internal Assessment and End Semester Examination system with administration of academics, with emphasis on OBE model of education. The detailed scope of work and various modules to be implemented, operated and supported, the commercials, terms of agreement are as stated Annexure-1 attached herewith. e-Sutra hereby agrees and confirm that it is offering it's IT platform 'contineo' as a software-as-a-service or rental model to NHCE and will provide

1. To implement all the modules listed in Annexure-1 in a timeframe as mutually agreed by both parties

2. All required training to NHCE users.

3. Automatic product improvement upgrades

Service Levels

1. To deploy adequate professional staff in the premises of NHCE during the period of implementation and thereafter to ensure proper implementation

2. To resolve any defect or bugs in the software reported by NHCE from time to time with-in a reasonable period.

3. While e-Sutra incorporates best practices for implementation of academic autonomy and covers all relevant processes through automation, it may be occasionally necessary to modify and carry out minor, reasonable changes to existing features in the software for NHCE business critical needs. e-Sutra shall, as a part of this contract, in good faith absorb the cost of such minor business critical change requests to existing features.

For any extension of existing features requiring to meet the requirement of NHCE will be carried out at no extra cost for efforts up to 75 person hours per year. For customization exceeding the 75 person hours per year limit, will be charged extra.

For any new NHCE specific custom feature development will be charged extra on a case by case basis.

a. The parties here by agree to adhere to the following process for all customization and modification: (i) NHCE will document the change / modification required. (ii) e-Sutra and NHCE will together arrive at a suitable schedule and timeline for delivery and deployment. (iii) An over-run of 20% on the timeline is permitted beyond which it will be escalated to the steering committee comprising both parties for resolution.

4. It is the responsibility of e-Sutra to ensure that the application deployed is as per the requirements and functionality as agreed between NHCE and e-Sutra. The software will be adequately tested and all critical bugs are fixed before deployment in the production environment. The following is the response time for bugs reported by NHCE.

Severity of Bug	Reporting of issue by NHCE	Time schedule to e-Sutra to respond with plan and timeline to resolve issue
Critical – Show stopper	Phone call to e-Sutra designated number AND logging of issue on the designated trouble ticket system	Within 8 (working) hours of the reporting of the bug by NHCE
Major	Phone call to e-Sutra designated number AND logging of issue on the designated trouble ticket system	Within 12 (working) hours of the reporting of the bug by NHCE
Minor	Phone call to e-Sutra designated number AND Logging of issue on the designated trouble ticket system	Within 48 (working) hours of the reporting of the bug by NHCE

Working hours for the scope of this agreement are defined as 9:00AM to 6:00PM, Monday through Friday, and excludes the days listed as holidays on NHCE academic calendar and e-Sutra holiday list.

5. **UPTIME & CREDIT POLICY:** It is the responsibility of e-Sutra to ensure adequate uptime of the software. In case there is a continuous failure of business critical parts of the software for a period exceeding time stated in para (i) above the following remedy is proposed.

For the first occurrence in a fiscal year: NHCE will receive a credit of Rs.1000/-

For every subsequent occurrence within the same fiscal year: Rs.2000 per occurrence

The total number of credits in any fiscal year is capped at 3% of total annual billing in that year.

Credit Exceptions:

The above credits will not be allowed under any of the following circumstances
