Vision

- To emerge as an institute of eminence in the fields of engineering, technology and management in serving the industry and the nation by empowering students with a high degree of technical, managerial and practical competence.

Mission

- To strengthen the theoretical, practical and ethical dimensions of the learning process by fostering a culture of research and innovation among faculty members and students.
- To encourage long-term interaction between the academia and industry through their involvement in the design of curriculum and its hands-on implementation.
- To strengthen and mould students in professional, ethical, social and environmental dimensions by encouraging participation in co-curricular and extracurricular activities.

Quality policy

- To provide educational services of the highest quality both curricular and co-curricular to enable students integrate skills and serve the industry and society equally well at global level.

PUNEETH SAGAR

PUNEETH SAGAR AT NEW HORIZON COLLEGE OF ENGINEERING MAY 30TH 2023

7 KARNATAKA BATTALION organised an event where NCC cadets from various units teamed up with the Puneeth Foundation for the "Puneeth Sankalp" and "Puneeth Sagar Abhiyan" initiatives. The event, held near a scenic water reservoir, aimed to raise awareness about plastic pollution's harmful impact on water bodies.

Objective:

The primary objective of the event was to **reduce plastic pollution** by educating people about the harmful effects of single-use plastics, promoting eco-friendly alternatives, and actively participating in clean-up drives.

Key Activities

1. Awareness Campaigns:

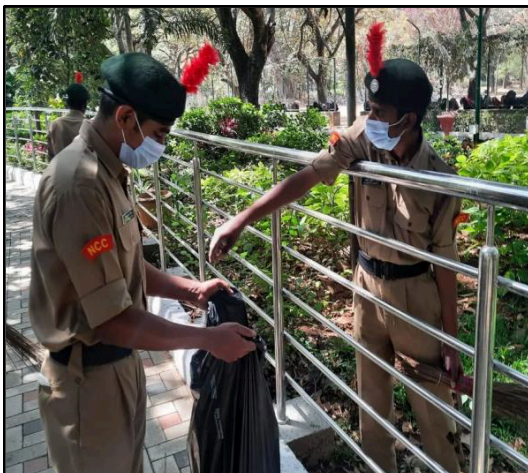

cadets organized several awareness rallies and seminars to educate the public about the harmful impact of plastic pollution on the environment, particularly on marine life. They distributed pamphlets highlighting the dangers of single-use plastics and shared information on alternatives like cloth bags, jute bags, and biodegradable materials.

2. Plastic Waste Collection Drives:

Numerous waste collection drives were held in various towns and cities, especially targeting plastic waste. Cadets participated in cleaning rivers, parks, and other public spaces, collecting large amounts of plastic waste that was later segregated for recycling.

3. Promotion of Alternatives:

During events and rallies, cadets encouraged citizens to shift to eco-friendly alternatives like reusable bags, steel containers, and glass bottles. They set up stalls in community markets where people could exchange their plastic bags for cloth bags provided by the NCC.

Impact

1. Increased Awareness:

Through extensive awareness drives, NCC cadets reached thousands of people, educating them about the environmental hazards of plastic and inspiring them to adopt more sustainable practices.

2. Significant Reduction in Plastic Usage:

As a result of their efforts, several areas witnessed a reduction in the use of single-use plastics. Marketplaces and schools, which had previously relied on plastic packaging, began adopting alternatives such as paper and cloth bags.

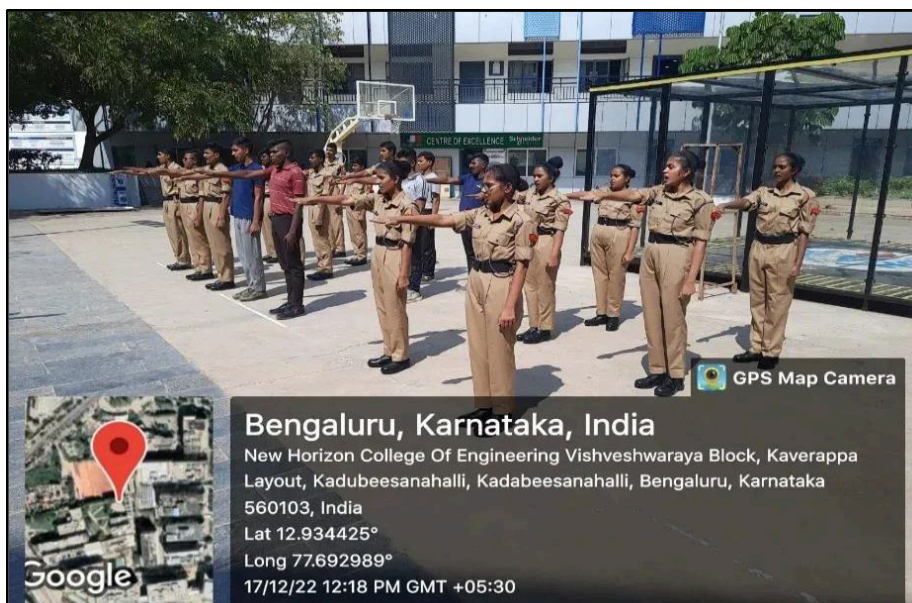

3. Positive Environmental Impact:

The plastic collection drives led to a cleaner environment, especially in areas prone to littering. The recycling of plastic waste also reduced the burden on landfills and helped conserve resources.

Conclusion:

NCC cadets have made a significant contribution to combating plastic pollution through their well-organized and impactful initiatives. Their commitment to creating a cleaner, greener environment not only addresses the immediate problem of plastic waste but also sets an example for others to follow. The fight against plastic pollution is ongoing, and NCC cadets continue to lead by example, working towards a sustainable future for the nation.

ENVIRONMENT DAY

ENVIRONMENT DAY AT KADUBEESANAHALLI: JUNE 5TH ,2023

World Environment Day, celebrated annually on **June 5th**, is a global event that raises awareness and promotes action for the protection of our environment. In a commendable display of initiative and commitment, a group of NCC cadets organized a rally to mark this special day. With their enthusiasm and dedication, these cadets aimed to raise awareness about environmental issues and inspire positive change in their community.

On the morning of **June 5th**, the **NCC cadets** gathered at a predetermined location, adorned in their smart uniforms. The rally was meticulously organized, with the cadets displaying vibrant banners, placards, and posters carrying messages focused on environmental conservation. Led by their NCC instructors and supported by local environmental experts, the cadets embarked on their march through the town, spreading their powerful message of environmental responsibility. The rally route was strategically planned to traverse busy areas and public spaces, ensuring maximum visibility and engagement with the community.

The rally received immense support from the cadets themselves, who worked tirelessly to make the event a success.

Outcome

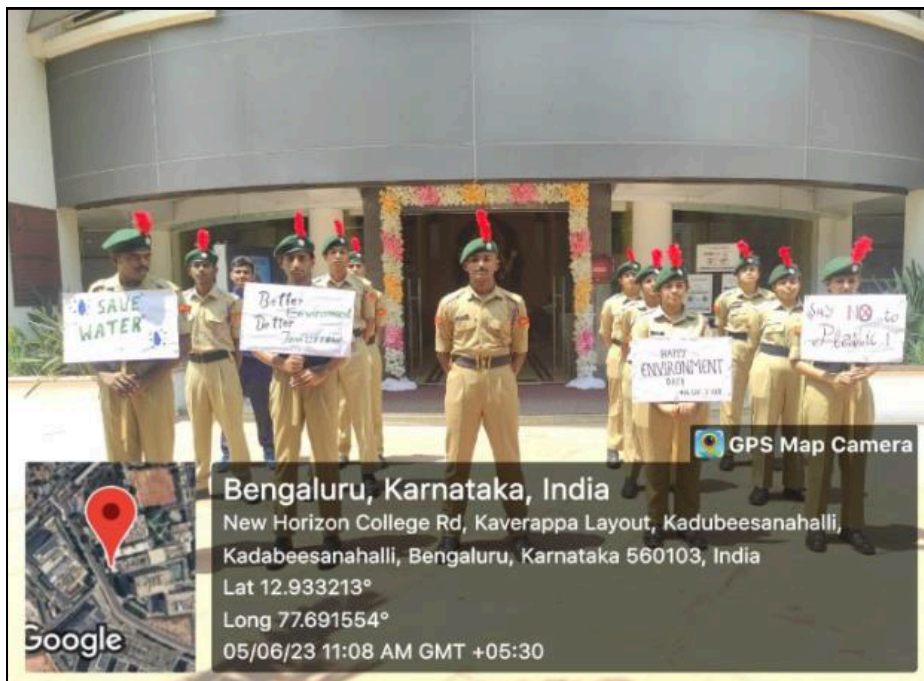

The rally successfully raised awareness among participants and the community. Many residents expressed their commitment to adopting eco-friendly practices. The tree plantation and clean-up efforts resulted in immediate positive impacts on the local environment.

Conclusion

The Environment Day rally organized by the NCC was a significant step towards fostering environmental consciousness. It highlighted the collective responsibility we share in protecting our planet. As NCC cadets, we are committed to continuing our efforts in promoting sustainability and environmental stewardship. Their efforts exemplify the NCC's core values of discipline, teamwork, and social responsibility. By organizing and participating in this rally, the cadets have not only contributed to the global movement for a sustainable future but have also developed essential skills that will serve them well in their future. Their commitment serves as a shining example for others to follow in creating a greener and healthier planet

BLOOD DONATION PROGRAM

BLOOD DONATION PROGRAM AT NEW HORIZON COLLEGE OF ENGINEERING JULY 7TH ,2023

7 KARNATAKA BATTALION organised an event where NCC cadets from various units teamed up with the Puneeth Foundation for the "Puneeth Sankalp" and "Puneeth Sagar Abhiyan" initiatives. The event, held near a scenic water reservoir, aimed to raise awareness about plastic pollution's harmful impact on water bodies.

4/6 COY, 7 KAR Battalion , National Cadet Corps , New Horizon College of Engineering witnessed a remarkable event on 7th July, as the cadets of NCC actively participated in blood donation camp under the guidance of CTO Ravikumar Sir which was held at college premises. This event aimed to promote awareness about the significance of donating blood and encourage students , faculty and staffs to contribute for the noble cause. The camp was open to all the members of New Horizon College of Engineering , fostering a spirit of unity and collaboration within the college community. The camp benefitted from the collaboration with experienced medical professionals of the BMST.

Their expertise ensured the smooth operation of the camp, guaranteeing the safe collection, storage and handling of the donated blood. We the NCC cadets diligently adhered to all necessary safety protocols and guidelines recommended by health authorities and was engaged with the donors, providing them with necessary support and care and also helped them by creating a comfortable and friendly environment, ensuring that the donors are at ease throughout the process. We also assisted in post donation care, such as providing refreshments and monitoring the well-being of donors. We also maintained order, security, and crowd management during the camp by managing the flow of donors and also ensuring social distancing.

Overall, the NCC's role in the blood donation camp was multifaceted, encompassing planning, coordination, volunteer recruitment, awareness campaigns, logistics, donor care, security, and evaluation. The camp received an overwhelming response, with participants enthusiastically coming forward to donate blood and support the well-being of the society. This event demonstrated the college's dedication to fostering social responsibility, saving lives, and creating awareness about the critical need for regular blood donations. By organizing such initiatives, NCC continues to empower its members to actively engage in humanitarian causes, making a positive impact on society.

The **International Yoga Day 2023** was celebrated at **New Horizon College of Engineering** by the **4/6 Coy, 7 Kar Bn NCC**, in association with the **ISHA Foundation, Coimbatore**. The event was attended by **25 cadets** from the 4/6 Coy (18 Senior Division (SD) and 7 Senior Wing (SW)) under the guidance of our Chief Training Officer (CTO) Ravi Kumar Sir.

The event commenced with an inspiring video featuring Sadhguru, a renowned spiritual master, who provided valuable insights into the significance of yoga and its beneficial impact on daily life. Following the video, a volunteer from the **ISHA Foundation**, an expert in yoga, led the session. The program began with a guided meditation that focused on breathing techniques designed to enhance concentration and calm the mind. This practice was instrumental in improving mental focus and relaxation.

Subsequently, the cadets were introduced to

the ancient yogic practice of Yoga Namaskar. The instructor provided a detailed demonstration of each step involved in Yoga Namaskar, explaining its benefits, which include increased flexibility, improved blood circulation, and enhanced immunity. The cadets then practiced Yoga Namaskar under the instructor's supervision, with the session structured in steps to ensure understanding and facilitate incorporation into daily routines for better health.

The event concluded with a discussion on the importance of integrating yoga into daily life. The cadets were encouraged to adopt yoga practices for at least 48 days, in honor of International Yoga Day, to experience its benefits and foster a healthier lifestyle.

The International Yoga Day 2023 event was a profound experience, promoting wellness and mindfulness among the cadets. We extend our heartfelt thanks to the ISHA Foundation for their expert guidance and to all involved for making the event successful.

24TH KARGIL VIJAY DIVAS

WORKSHOP ORGANIZED BY 4/6 COY, 7 KAR BATTALION - A DAY OF KNOWLEDGE, PATRIOTISM, AND NCC SPIRIT

On **26th of July**, which is Kargil Vijay Diwas, there was a workshop organized by **4/6 Coy, 7 KAR Battalion**. The workshop aimed to create a platform for learning, knowledge-sharing, and instilling a sense of patriotism among the attendees. The event witnessed the esteemed presence of CTO- Ravikumar and several lecturers, making it a significant gathering of military and academic minds.

The workshop had the following key objectives:

- To strengthen the spirit of National Cadet Corps (NCC) and patriotism among the participants.
- To create a memorable event that fosters camaraderie and unity.

Opening Address:

The workshop began with a PowerPoint presentation on Kargil Vijay Diwas, which was explained by a few of the NCC cadets. At last, there was a 10-minute documentary video shown to the members present. In the video, it was stated:

"The Kargil War taught us the importance of vigilance, unity, and the indomitable spirit of our armed forces. It remains a testament to the valor of our soldiers who defended the nation's sovereignty with unwavering courage. Let us always remember and honor their sacrifice." With deep reverence and solemnity, we observed a two-minute mourning in honor of the brave soldiers who valiantly fought in the Kargil War. Their unwavering courage and sacrifice in defense of our nation will forever be etched in our hearts.

Kargil Vijay Diwas is an important commemorative day celebrated in India on July 26th every year. It marks the victory of the Indian Armed Forces in the Kargil War, which took place between May and July 1999 in the Kargil district of Jammu and Kashmir.

The Kargil War was a conflict between India and Pakistan, where Pakistani forces infiltrated the Indian side of the Line of Control (LOC), the de facto border between the two countries in Kashmir. The intrusion into the Indian territory was an attempt to capture strategic positions and disrupt the status quo in the region.

The Indian Army, after detecting the infiltration, launched Operation Vijay to recapture the occupied areas and evict the Pakistani forces. The operation involved intense combat in challenging mountainous terrain, and the Indian soldiers displayed tremendous courage, valor, and determination during the conflict.

SWACCH BHARAT

SWACCH BHARAT CAMP AT BHAGAT SINGH PARK AUGUST 5TH, 2023

The 7 Karnataka Battalion of NCC hosted a remarkable "Swachh Bharat Abhiyan" event at **Bhagat Singh Park**, with NCC students from **12 colleges actively participating**. **MLA CK Ramamurthy and BBMP officials joined**, endorsing the importance of community-driven cleanliness initiatives.

With great enthusiasm, the young cadets tackled litter, transforming the park into a cleaner space. The presence of dignitaries further motivated them to create a healthier environment.

Cadets have organized regular cleanliness drives in colleges, villages, and public places such as parks, and market places. These activities focus on cleaning garbage, removing plastic waste, and sweeping public spaces to ensure that the surroundings are hygienic.

Cadets have conducted rallies, workshops, and public speeches to educate citizens about the importance of cleanliness, proper waste management, and the harmful effects of single-use plastics. Posters and banners promoting cleanliness are displayed, and pamphlets are distributed in both urban and rural areas.

NCC cadets encourage the segregation of biodegradable and non-biodegradable waste at the source. They promote waste management techniques such as composting in homes and schools. Workshops are often conducted to teach people how to recycle and reuse waste materials effectively. The consistent efforts of the cadets have led to a visible behavioral change in many places. People are now more conscious about not littering, using dustbins, and keeping their surroundings clean. Public participation in cleanliness activities has improved due to the motivation provided by the NCC.

BLOOD DONATION PROGRAM

Date: October 1st, 2024

Location: New Horizon College Of Engineering

INTRODUCTION

On 1st October 2024, the **4/6 COY** organized a Blood Donation Program at New Horizon College Of Engineering in collaboration with **LION CLUB** and **NIMHANS CLUB**. The program aimed to raise awareness about the importance of blood donation and contribute to the local community by collecting blood for patients in need. The event was part of the unit's ongoing efforts to promote social responsibility and community service among NCC cadets. The event aimed To encourage cadets and the community to donate blood and support healthcare initiatives.

The Blood Donation program was conducted from 10:00 AM to 6:00PM. The program was honored by the presence of **Dr. Manjunatha principal NHCE** and **registrar Mr. H N Surya Prakash** who not only attended the program but also participated as a blood donor. Their active participation helped motivate other individuals to donate and underscored the importance of this life-saving cause.

PARTICIPATION

The program witnessed enthusiastic participation from NCC cadets and other attendees:

- Number of Cadets Involved: 25(19 SD'S and 6 SW'S).
- Total Blood Donors: 400, including students, staff, and NCC cadets.

NATIONAL CADET CORPS

SCHEDULE OF ACTIVITIES

*10:00 AM — 10:30 AM Opening Session and Briefing by CSUO

The event began with a detailed introduction by the Company Senior Under Officer (CSUO) Kumargouda Patil. The CSUO explained the procedure for blood donation, outlining each step that the donors would go through. This included registering as a donor, undergoing a health screening, donating blood, and finally receiving refreshments afterward. The CSUO emphasized that the medical team would oversee the entire process to ensure safety and comfort for all donors. This explanation helped prepare everyone for the process and alleviated any concerns.

*10:30 AM — 11 AM Donor Registration and Health Screening

After the briefing, participants registered by filling out a form with their personal and medical information. The medical team then conducted a basic health screening for each donor, including checking their blood pressure, hemoglobin levels, and general health. Only those who met the health requirements were allowed to donate blood.

*11:00 AM - 3:00 PM Blood Donation Process

At 11 AM, the blood donation began. Donors were called in batches to the donation stations where trained medical professionals collected the blood. The NCC cadets assisted by guiding the donors to their respective donation areas, helping maintain order, and ensuring everyone was comfortable during the donation process. The donors were closely monitored throughout to ensure their safety. After donating blood, participants were directed to a separate area where light snacks and beverages were served. This provided an opportunity for donors to relax and recover after the donation process. Refreshments included fruit, juice, and biscuits to help replenish energy levels.

NCC Cadet Donor Engaged in Blood Donation

*3:00 PM - 4:00 PM: Continued Blood Donation and Closing

Blood donation continued through the evening, with more participants completing the process. By the end of the program, more than 400 units of blood had been collected. The program concluded at 4:00 PM after the last donation, and the medical team packed up the equipment. All participants were thanked for their valuable contribution.

CONCLUSION

The Blood Donation program was a great success, thanks to the efforts of the NCC cadets and the participation of the donors. The CSUO's detailed explanation of the blood donation procedure ensured that everyone felt comfortable and informed throughout the event. The program successfully collected more than 400 units of blood, contributing to the healthcare needs of the community. The NCC unit of New Horizon College Of Engineering plans to continue organizing such program regularly to promote community service and support the welfare of society.

SCHEDULE OF ACTIVITIES

*10:00 AM - Welcome Speech

The event began with a warm welcome speech delivered by LCPL Shreya R.C. and Baduvanda Diveen. They introduced the orientation's objectives and highlighted the importance of discipline, teamwork, and the values upheld by the NCC.

*10:15 AM - Lamp Lighting Ceremony

The traditional lamp lighting ceremony was conducted by Lt. Ravikumar Sir, the HODs, Principal, and Registrar, symbolizing the beginning of a new journey for the juniors.

*10:30 AM - Speech by Guest

Tharun Badra Sir delivered an inspiring speech, emphasizing the significance of NCC in shaping the future of the students and encouraging the juniors to embrace the challenges ahead.

*11:00 AM - PPT Presentation

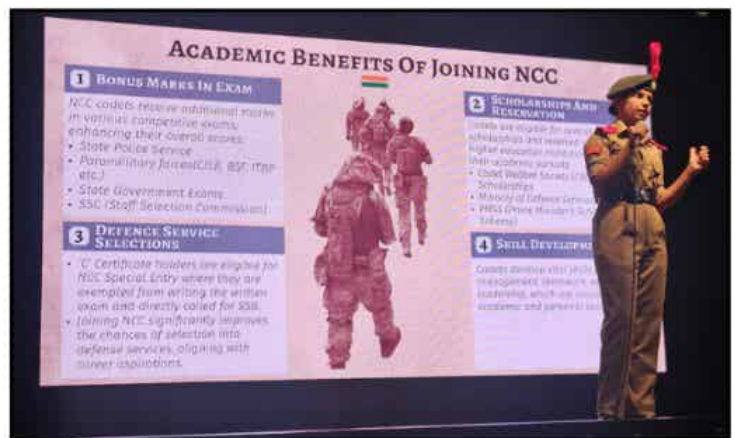

An interactive quiz session followed the presentation, where the juniors were tested on their knowledge of the NCC's history, values, and activities. The quiz not only served as an engaging way to assess the juniors' understanding but also encouraged them to learn more about the organization. Winners of the quiz were awarded small prizes, which created a fun and competitive atmosphere, further stimulating the juniors' interest in learning more about the NCC.

*12:00 PM - Vote of Thanks

The Vote of Thanks was delivered to expressing heartfelt gratitude to the dignitaries, guest speakers, senior cadets, and all participants who made the orientation session a success. The speaker encouraged the juniors to take their roles in NCC seriously, emphasizing that their time in the organization would shape their future and help them contribute meaningfully to society. The vote of thanks concluded with an inspiring message, urging the juniors to embrace the challenges and opportunities that lay ahead.

SCHEDULE OF ACTIVITIES

*Day 1: Arrival and Orientation

Cadets arrived at the camp on 30th December 2024 at 1600 hrs and were allotted their accommodations. After settling in, a fall-in was conducted at 1700 hrs, where the cadets were briefed about the rules and regulations of the camp. This session laid the groundwork for the structured and disciplined days ahead.

*Day 2: Physical Training and Orientation to Army Life

The second day commenced with a 3 km run and warm-up session at 5:45 hrs, setting a physically rigorous tone for the camp. Post breakfast, cadets assembled in uniform at 8:20 hrs for the day's sessions. These included drills, weapon theory classes, and an introduction to the Indian Army's structure and operations. The day ended with a games period, encouraging physical fitness and team spirit.

*Day 3: Cultural Activities and Practical Learning

On the third day, cadets participated in a bhajan session at the camp mandir, promoting spiritual well-being and unity. Subsequent sessions focused on map reading and a visit to the library and quarter guard, where cadets learned about rifles and awards. The evening roll call emphasized academic discussions, ensuring the cadets remained mentally engaged alongside physical activities.

Day 4: Intensive Physical and Tactical Training

The fourth day featured mass PT with Arabic exercises, highlighting group coordination and stamina. After breakfast, cadets attended sessions on map reading, drill, and hands-on training with 5.56mm INSAS rifles, focusing on disassembling and assembling the weapon. The day reinforced the importance of technical skills and physical fitness in military life.

*Day 5: Combat Day

On Combat Day, cadets donned combat uniforms to immerse themselves in tactical exercises. The day's sessions included map reading, weapon theory, first aid training, and ambush party strategies. These activities tested the cadets' adaptability and critical thinking. However, due to academic commitments, some cadets departed the camp at 11hrs.

*Day 6: Skill Development and Recreational Activities

Aerobics with music began the sixth day, creating a lively and energetic atmosphere. Cadets then attended sessions on drill, field signals, and the handling of 5.56mm INSAS LMGs. The day concluded with games, including practice for cho-cho, blending skill development with recreation.

*Day 7: Rest Day

Sunday offered a much-needed break from the rigorous schedule. Cadets enjoyed screenings of patriotic movies such as "Uri" and "Gunjan Saxena: The Kargil Girl," which inspired them with stories of valor and dedication. This day provided a balance of relaxation and motivation.

*Day 8: Cross-Country and Competitions

The eighth day featured a cross-country competition, challenging the cadets' endurance and speed. Training sessions included firing, grenade handling, and drill practice, sharpening their technical and physical skills. Semi-final matches of basketball and kho-kho were conducted, fostering a competitive spirit. On this day, cadets also took part in an Obstacle Training (OT) session, which consisted of 27 obstacles, testing their agility, endurance, and teamwork.

*Day 9: Yoga and Leadership Sessions

Yoga sessions started the ninth day, promoting mental and physical wellness. Leadership and motivation lectures were held, emphasizing the qualities required in future leaders. The day ended with fun games and a session called "Army Ragda," which reinforced discipline and camaraderie.

*Day 10: Finals and Prize Distribution

The tenth day was action-packed, beginning with PT and sessions on map reading and human rights. The finals of kho-kho and basketball competitions were held, with the winners celebrated during the prize distribution ceremony. The day culminated with a cultural evening and "Bada Khana," bringing the cadets together in a festive atmosphere.

CONCLUSION

The Army Attachment Camp, held at the Pioneer Corps Training Centre from 30th December 2024 to 10th January 2025, was an unforgettable experience that blended rigorous physical training with practical knowledge of military operations and leadership. Cadets were privileged to receive hands-on training with 5.56mm INSAS rifles, including the disassembling and assembling process, as well as the handling of 5.56mm INSAS LMGs and No. 36 hand grenades. They also participated in weapon simulator exercises (Drona Firing) that offered a realistic aiming and firing experience without live ammunition.

The cadets were also tasked with overcoming an obstacle course (OT) on 8th January, which included 27 challenging obstacles, further testing their physical endurance, agility, and teamwork. Additionally, they visited the 4th Battalion of the 8th Gorkha Rifles, where they witnessed the regiment's rich history, traditions, and weapon displays. The camp also included training on ambush parties, enhancing their tactical skills.

The camp achieved significant milestones, including the Drill Competition (First Place), Cho-Cho (Runners-Up), and the Overall Championship won by Bangalore B Group.

This camp instilled in cadets a profound respect for the armed forces, enhanced their skills, and inspired them to embrace discipline and teamwork in their lives. It served as a stepping stone for those aspiring to contribute to the nation's defense and uphold its values.
