About HRD

New Horizon College of Engineering (NHCE) aims to create able engineers and business managers equipped with life skills, such as solving complex problems, re-engineering processes, and adding value to businesses. Beyond the academic curriculum, the required skills enhance each student's overall capability. The Department of Human Resource Development channels individual student talents to help them acquire skills and abilities relevant to current industry needs. It is a pivotal centre for facilitating connections among students, alumni, faculty and recruiters.

The Department of HRD comprises five divisions: Corporate Relations, Learning & Development, Placements, Consultancy, and IIIC. The collaborative efforts of these divisions ensure student readiness as per industry standards. The diverse training programs, along with a plethora of industry interactions and rigorous exposure to cutting-edge technologies, prepare students for the corporate world. New Horizon College of Engineering has always been the preferred institute of corporates for fresh talent acquisition.

VISION

To make the institution into an epitome of learning and provide global opportunities for the students.

MISSION

To ensure that the students develop a positive attitude
To ensure that the skills of the students are identified and oriented in the right direction
To engineer the young minds to be disciplined, dedicated and determined.

GOAL

To provide training on life skills, career guidance and placement opportunities to all students studying in New Horizon College of Engineering.

QUALITY POLICY

1. Continuous Learning
 2. Industry Readiness
 3. Application Oriented
 4. Accountability
 5. Sustainability

Human Resource Development

Corporate Relations

Learning & Development

Placements

Consultancy

IIIC
Industry Institute Interaction Cell

Industry Institute Interacton Cell (IIIC)

The Industry Institute Interaction Cell (IIIC hereon) aims to ensure a paradigm shift in the thought process of a New Horizon student from J2C (Job to Career). This should lead a student towards the identification of a SMART CAREER GOAL. IIIC aims to make New Horizon College of Engineering a respectable and sought-after engineering college that provides the best amalgamation of innovation, entrepreneurship development, skill up-gradation, passion and aptitude with sound theoretical subject knowledge. This, in turn, makes our students industry-focused and innovators of tomorrow so that they can pursue their passion and think beyond a job.

Internships/Visits

- Enable Industry Exposure
- Enable Employability Skills
- Exposure to live projects

Industry Alignment

- Align aspirations of the students with the needs of the Industry
- Students understand Customer's Specific & Focused Approach of Industry
- Implementation of projects in groups focusing on Team Management and Team Work

Center of Excellence

- Setting up of Industry Labs in accordance with Industry Guidelines
- Create learning processes based on a thorough knowledge of best practices in the industrial circuit
- Continuous Up-gradation and Improvisation of Industry Relevent Courses

Center For Life Skills & Skill Development (CLS&SD)

The Centre for Life Skills and Skill Development through its courses, instills among students a passion for lifelong learning in pursuit of knowledge, to make them sustainable, competitive and employable. It is committed to impart necessary skills to students and help them succeed in college, work and life. Integration of life skills in the curriculum serves the need to redefine and reshape the global landscape of learning.

Courses on Communication

- Communicative English
- Professional Writing Skills
- Managerial Communication

Life Skills

Self Awareness

- SWOT
- Emotional Intelligence

Self Management

- Time & Stress Management
- Right Attitude
- Ownership for Leadership

Attitude and Behaviour

- Group Dynamics
- Positive & Proactive Attitude
- Team Work
- Interpersonal Skills

Thinking Skills

- Critical and Creative Thinking
- Group Decision Making

Pre-placement Training

- Resume Building
- Interview Skills
- Group Discussion

Placements

The selection processes of various companies are constantly changing year after year. Considering the selection process of companies who have visited engineering/management campuses in Bangalore over the past five years, the changes incorporated by them, and the process they follow, the department of HRD has designed a program that equips our students to face their selection process with confidence.

Center for Industry-Oriented Learning

The Voice of the Industry

The industry experts/recruiters confirm that the comprehensive services offered by the department of HRD contribute to the all-round personality of the student. The placement of students in national and international corporates of repute, stands testimony to this.

The Department of HRD, through its initiatives, establishes a synergy among different stakeholders' viz., students, parents, faculty and the recruiters. Through career guidance and counseling services, students develop the right skills and attitude required to be successful, both in work and life.

Infrastructure Facilities

Campus Recruitment Facilities

New Horizon College of Engineering has state-of-the-art infrastructure facilities to conduct training programs and campus recruitment events.

Discussion & Interview Cabins

Air-conditioned discussion and interview cabins are equipped with conference call and internet facilities. Corporates conduct group discussions, face-to-face technical, and HR interviews in these cabins. The Executive Training Center can accommodate 65 students in cluster seating. The center is equipped with LCD, Plug-in internet connection, audio speakers, etc. Corporate Executives utilize this center to interact with students and conduct training sessions and webinars.

Seminar Halls / Auditorium

Two spacious Seminar Halls, each with a seating capacity of 200, are available for branch-wise group activities. All Pre-placement presentations by Corporates are conducted in the auditorium, which has a seating capacity of 700.

Japan Career Center

Japan Career Centre is established at NHCE to facilitate International Placements and Internships. The objective of the Indo-Japan Career Center is to act as a bridge between Japanese companies and talented students in India. The center not only facilitates the recruitment of fresh talent in India, but also prepares the recruited talent for assimilation into the Japanese workplace.

Testimonials

Vishal ER

1NH22CS422

My placement experience at New Horizon College of Engineering (NHCE) has been transformative, thanks to the dedicated placement cell, the CSE department, and our supportive lecturers. The placement cell provided comprehensive technical skills, soft skills, resume-building, and aptitude training, ensuring we were well-prepared for job opportunities. The CSE department strengthened my technical foundation through a robust curriculum and hands-on projects while lecturers offered invaluable guidance. With numerous industry interactions and webinars, I gained insights into real-world challenges. As a result, I secured a position at Rubrik, and I am deeply grateful for NHCE's role in shaping my career.

Sanjay Basu

I would like to express my thoughts on the matter of the placement process as facilitated by the HRD department. The faculty members were always there to motivate and guide me. The HRD department played a significant role in not only attracting companies to the college for placements but also equipping us with the necessary skills to excel in those interviews. Moreover, I would also like to thank the faculty of my department for their guidance through this process. I was fortunate to secure a position as an Associate Technical Analyst at Computacenter. Finally, I would extend my heartfelt thanks to the aptitude and soft-skills trainers.

Kriti S. Devatha

1NH21EC079

My journey at New Horizon College of Engineering (B.E. ECE, Class of 2025) has been truly enriching. The well-structured, industry-oriented syllabus, along with highly knowledgeable faculty, helped me gain in-depth theoretical knowledge and improve my soft skills. The college played a key role in boosting my confidence, preparing me for higher studies abroad. I would highly recommend NHCE for its excellent academic environment and holistic development approach.

The College Placement Department played a pivotal role in my career journey. They provided excellent guidance, from resume building to interview preparation, ensuring I was well-prepared for the job market. Their industry connections helped me secure a great opportunity, and their constant support made the entire process seamless and stress-free.

Prathiksha A

I am incredibly grateful to the Department of Management Studies of NHCE and the Department of HRD at NHCE for their unwavering support and guidance throughout my placement journey. Their mentorship, training programs, and continuous encouragement have played a crucial role in helping me secure an opportunity at EY GDS. The faculty's dedication to student success, industry exposure, and skill development sessions have been instrumental in shaping my professional growth. The learning environment they have created has enhanced my knowledge and given me the confidence to step into the corporate world. I sincerely appreciate their efforts in providing students with the right resources and opportunities to achieve their career aspirations.

“My journey at New Horizon College of Engineering has been incredibly rewarding. The curriculum, with its blend of theory and practical learning, helped me grow academically, complete a research paper, and undertake various projects. The professors enhanced my technical skills, thoroughly preparing me for my career, which ultimately led to my successful job placement with a reputable company.”
