

REPORT ON CLOTH DONATION DRIVE

The Rotaract Club of NHCE successfully organized a three-day Clothes Donation Drive on the 25th, 26th, and 27th of November, 2024. This event aimed to collect clothes for the underprivileged and distribute them to those in need. It received an overwhelming response from individuals in the community.

Objectives:

- To gather gently used and new clothing items from donors across the community.
- To ensure that the collected clothes reach underprivileged individuals, especially as winter approaches.
- To inspire a spirit of generosity and social responsibility among participants.

Day 1: November 25th

- Donation Drop-off Points: Set up at the NHCE campus to facilitate the contribution of clothes.
- Volunteer Assistance: Volunteers assisted in sorting and organizing the clothes received through donations.

Day 2: November 26th

- The collection drive continued with increased participation from donors.
- Volunteers and organizers actively spread awareness about the importance of clothing donations and their impact on the underprivileged.

Day 3: November 27th

- Continued collection of clothes, ensuring all donations were properly recorded and categorized.

Outcome:

A total of approximately 700 clothing items were collected, including jackets, shirts, pants, traditional wear, and sweaters. The event saw enthusiastic participation from both students and faculty. Many individuals expressed their appreciation for this thoughtful initiative.

Conclusion:

The Clothes Donation Drive conducted by the Rotaract Club of NHCE was a remarkable success, showcasing the power of collective effort in making a meaningful impact on society.

The overwhelming response and generosity of the community made this initiative a significant achievement. The organizing team extends its heartfelt gratitude to all donors, volunteers, and supporting organizations who contributed to the success of the event.
