## **Report on Emergency Ready: Fire Safety and CPR Awareness**

A comprehensive training session titled "Emergency Ready: Fire Safety and CPR Awareness" was conducted on June 3<sup>rd</sup>, 2025 by the NSS Unit Cell and NCC of New Horizon College of Engineering, Bengaluru.

- The Fire Safety Department of NHCE led the fire safety segment, providing valuable insights into the different classes of fire and demonstrating the correct use of various extinguishing agents (water, foam, CO<sub>2</sub>, dry powder, and so on).
- The Medical Department conducted CPR training, emphasizing the importance of Cardiopulmonary Resuscitation (CPR) in preserving life. The volunteers received hands-on practice in chest compressions, and rescue-breaths using manikins.
- The session empowered all participants with essential life-saving skills, enhancing their readiness to respond confidently to emergencies.

### **Vote of Thanks**

The NSS and NCC coordinators extended heartfelt gratitude to the Fire Safety and Medical Teams for their expert instruction and dedication. They also appreciated all volunteers for their enthusiastic engagement and active participation throughout the training session.
