

## **A REPORT ON INTER DEPARTMENT DANCE COMPETITION**

The Dance Club of NHCE organized an Inter Department Dance Competition on May 30<sup>th</sup>, 2025, at the Open Stage to encourage students' dancing skills and provide them with a platform to showcase their talent.

The event commenced at 03:30 PM, with the student emcees warmly welcoming the audience and introducing the judge for the day, Mr. Kiran Phionix, an accomplished dancer and proud alumnus of New Horizon College, Kasturi Nagar.

Students from various departments, including Information Science and Engineering (ISE), Electronics and Communication Engineering (ECE), MBA, and Applied Science, participated with great enthusiasm. The competition began with high energy and excitement. Participants, adorned in vibrant costumes, captivated the audience with their enthralling performances.

Each team exhibited excellent choreography, rhythm, synchronization, and stage presence. Judging criteria included choreography, technique, execution, coordination, originality, creativity, musicality, and overall presentation.

After an array of spectacular performances, the results were announced.

- First Place: Department of Electronics and Communication Engineering
- Second Place: Department of Applied Science

Mr. Kiran Phionix congratulated the winners, appreciated the creativity of all participants, and encouraged students to continue exploring their passion for dance and the performing arts.

The event concluded with a heartfelt message from Dr. Anitha S. Rai, the event coordinator, who congratulated the winners and urged all HoDs and faculty members to support and promote similar cultural events in the future. She reminded students that winning or losing is secondary, but the memories created in college are everlasting and truly cherished.

Glimpses of the Event
