

A REPORT ON GARBA NIGHT

Garba Night was successfully held on 26th September 2025 at the New Horizon Knowledge Park, as part of the vibrant Navratri celebrations. The event brought together students and faculty members for an evening filled with cultural performances, devotional rituals, and spirited dance, reflecting the essence of Navratri.

The program began with a warm welcome and a brief introduction to the significance of Garba, tracing its roots to the traditional celebration of Navratri and symbolizing the victory of good over evil. This set a spiritual tone for the evening. The celebrations commenced with the recitation of the Shri Durga Stuti, a powerful prayer seeking the blessings of Goddess Durga. The resonating chants created a serene and devotional atmosphere. This was followed by the lighting of the ceremonial lamp by Chairman Sir and key dignitaries, symbolizing the triumph of light over darkness and the beginning of auspicious festivities. A Devi Pooja and Aarathi were then performed with great reverence, accompanied by the chanting of sacred mantras, invoking blessings for peace, prosperity, and protection.

The highlight of the evening was the energetic Garba and Dandiya dance sessions. Students and faculty from NHCE, NHCM, and NHCK, dressed in colorful traditional attire, danced gracefully in rhythmic circles to lively beats. The Dandiya segment added to the excitement, with participants pairing up and performing synchronized steps with decorated sticks. As the night progressed, the energy reached its peak during the DJ session, where traditional and modern music blended seamlessly, creating an electrifying atmosphere. Everyone joined in the celebration, dancing freely and joyfully.

Garba Night 2025 was a memorable occasion that beautifully combined spirituality, tradition, and entertainment. It provided a wonderful platform for the NHCE community to come together, celebrate cultural heritage, and embrace the festive spirit of Navratri.
