

# NEW HORIZON COLLEGE OF ENGINEERING

## EXTRA CURRICULAR CLUBS

### A Report On Investiture Ceremony

The Investiture Ceremony for the Extra Curricular Clubs was held with great enthusiasm at NHCE Auditorium on 17th September 2025. The ceremony served as a moment of recognition and celebration for student leadership, highlighting the importance of responsibility, commitment, and teamwork in shaping a vibrant campus culture.

The ceremony commenced with the college song, setting a tone of pride and unity among the students. This was followed by a graceful invocation dance performed by members of the dance club, invoking a sense of tradition and cultural reverence. The lighting of the ceremonial lamp — symbolizing knowledge, wisdom, and new beginnings — was carried out by the President and the Principal along with other esteemed dignitaries, formally inaugurating the event. Dr. Anitha S. Rai, Incharge of extracurricular clubs, presented the Annual Activities Report of the Extra Curricular Clubs for the year 2024-25, which showcases their dedication, the challenges they overcame, and the positive impact they have created both within and beyond our campus.

The report highlights two key aspects:

1. **Activities Conducted on Campus** – Various competitions, awareness drives, and cultural programs that provided platforms for creative expression and skill enhancement.
2. **Participation in Events outside the College** - Students represented our institution in various inter-collegiate, state, and national-level competitions,

A defining moment of the ceremony was the symbolic transfer of flags from the outgoing presidents to the new ones, signifying the passing of responsibilities and leadership. This was followed by the presentation of badges to the new committee members, formally acknowledging their roles for the academic year 2025–26. The event was graced by the presence of department heads, which showed their support for the students' efforts. Each club took this opportunity to showcase a short video summarizing their activities, achievements, and current Club committee members details.

Dr. Anitha S. Rai administered the oath to the current presidents, emphasizing their commitment to fostering student growth. Following this, the Principal delivered an inspiring address, congratulating the new office bearers on their responsibilities. He reminded that the students clubs are “of the students, by the students, and for the students,” reinforcing the idea that extracurricular activities are driven by student initiative and leadership. Furthermore, the

Principal encouraged the student leaders to prioritize quality over quantity in their club activities, stressing that the success of an event should not be measured by the number of activities held, but by the impact and meaningful engagement it generates within the college community.

The President took a moment to recognize the outstanding achievements of the student clubs. The "Best Club of the Year" award for the academic year 2024–25 was presented to the Literary Club in recognition of their exceptional contributions and engagement within the college. And the President congratulated all the club committee members and commended their efforts in organizing events that not only showcase their talents but also contribute significantly to the college's cultural and intellectual growth. He emphasized that clubs are not just places to develop skills, but spaces where students can explore their passions, forge lasting memories, and cultivate leadership. He also acknowledged the immense importance placed on student-led initiatives, stressing that clubs offer endless opportunities for personal growth and achievement. He encouraged the student leaders to always strive for excellence and reminded them that the New Horizon is always available to support them in their journey towards success.

The event concluded with a vote of thanks, the national anthem, and a high tea for all attendees.
