The meeting commenced with a warm welcome by the Principal, who addressed the members of the Women Empowerment Committee. In his opening remarks, he underscored the significance of the committee in fostering a safe, inclusive, and empowering environment for women within the institution.

## Key Discussions and Suggestions:

### 1. Counseling Support

It was proposed to arrange regular counseling sessions for girl students to provide emotional and academic support. These sessions will help them address personal or academic concerns and encourage self-awareness, confidence, and personal growth.

### 2. Encouragement for Active Participation

Members suggested motivating girl students to actively engage in co-curricular and extracurricular activities, which play a crucial role in personality development, leadership, and self-expression.

### 3. Awareness Initiatives

The need for awareness programs focusing on women's rights, health, safety, and career guidance was discussed. These initiatives will aim to educate and empower girl students to make informed life choices.

The meeting concluded with a vote of thanks by the Member Secretary, who appreciated the Principal and all committee members for their valuable suggestions and enthusiastic involvement. The committee agreed to finalize an action plan in the next meeting and begin preparations for upcoming activities.
