

## UNITY RUN 2026

New Horizon College of Engineering marked a momentous milestone in its Silver Jubilee year by hosting the inaugural New Horizon Unity Run 2026 on 17th May 2026. The event drew an enthusiastic turnout from participants spanning all age groups from young children to senior citizens, who began arriving as early as 4:30 AM. The venue buzzed with energy, adorned with banners, a grand start arch, finisher's photo booth, and route maps. The morning kicked off with warm-up exercises at 5:30 AM, followed by a lively Zumba session that set the perfect tone for the day. Participants proudly wore colour coded T-shirts Pink for the 3K, Neon Green for the 5K, and Orange for the 10K lending the event a vibrant, festive look.

The runs were flagged off by the Principals of the three New Horizon institutions: Dr. Bodhisatvan for the 10K at 6:30 AM, Dr. Manjunatha for the 5K, and Dr. Basavaraj for the 3K. Every finisher was awarded a medal in recognition of their sporting spirit, followed by a well-deserved breakfast. The Felicitation and Prize Distribution Ceremony at 8:30 AM saw winners honoured across multiple categories overall top three finishers in the 10K and 5K for both men and women, as well as age-group winners across four brackets. Trophies and prize cheques were presented by Dr Mohan Manghnani, Chairman, along with Mrs Renuka Manghnani, Vice Chairperson, and Mr Dharmesh Manghnani, President of New Horizon Educational Institution.

The event was made possible through the support of valued partners Sakra World Hospital as Health Partner, Radio City 93.5 RedFM as Radio Partner, TARP such as Community Partner, and EasyClinic and MicrobioTx as Wellness Partners. Participants departed with warm appreciation for the seamless organisation and warm hospitality. The New Horizon Unity Run 2026 was truly a celebration of fitness, community, and the spirit of 25 remarkable years.

## LONG SERVICE AWARDS 2026 – AUXILIARY DEPARTMENTS

New Horizon Educational Institution held its Long Service Awards 2026 on 23rd May at the Chanakya Seminar Hall, Amar Hemu Kalani Block, New Horizon Knowledge Park Campus, to recognise and honour eight dedicated members of its auxiliary staff who had completed either 10 or 25 years of continuous service. The event was organised by the Human Resources Department and brought together a distinguished gathering of institutional leadership, reflecting the deep regard in which the auxiliary staff were held and their invaluable contributions to the institution's growth and success over the years. The ceremony commenced with a warm welcome address which was followed by an invocation song and the ceremonial lighting of the lamp by the dignitaries. The event was graced by senior dignitaries including Dr. Manjunatha, Principal of New Horizon College of Engineering; Mr. H. N. Surya Prakash, Registrar; and Ms. V. Manjula, Executive Director – Human Resources, amongst others.

The presence of Directors, Deans, and Heads of Departments added significance to the occasion, reflecting the institution's appreciation for its support staff. Dr. Manjunatha and Mr. Surya Prakash addressed the gathering, congratulating the awardees and emphasising that the contributions of auxiliary staff, often carried out behind the scenes, were indispensable to the institution's functioning. Staff members who had completed 25 or more years of service were felicitated with a memento, shawl, garland, and cheque, whilst those honoured for 10 or more years received a memento and gift. Recipients were drawn from the Housekeeping, Security, Electrical, and Transport departments. The ceremony reinforced the institution's values of loyalty, dedication, and excellence, highlighting its culture of recognition and respect for employees. It concluded with a vote of thanks and the National Anthem, followed by high tea for auxiliary staff as a gesture of appreciation.

## A WORD FROM THE EDITORIAL BOARD

The Editorial Board of New Horizon Express takes pride in reflecting upon a semester of growth and unforgettable experiences. We extend our sincere gratitude to the Management, Principal, faculty members, and staff for their unwavering support in creating a vibrant, enriching, and student-friendly learning environment. The numerous academic, co-curricular, and cultural opportunities provided throughout the semester have enabled students to learn, grow, and excel.

As we bring you this edition of New Horizon Express, we look back with pride at a semester filled with remarkable moments. INITIUM 2026 was a resounding success, and we extend our heartfelt gratitude to every participant, the collaborating clubs, and the organising team for their tireless dedication in making it truly unforgettable.

As the Semester End Examinations approach, we extend our heartfelt best wishes to all students. May your hard work, dedication, and perseverance yield excellent results. Stay focused, remain confident, and give your very best. We hope each one of you achieves success and continues to make New Horizon proud.

# HIGHLIGHTS OF MAY 2026

## HIDDEN GEMS @25

As part of the Silver Jubilee celebrations of New Horizon College of Engineering, Hidden Gems @ 25 was organised by the Department of Human Resources and the Department of Counselling to celebrate twenty-five years of excellence, growth, and community spirit. Conducted across three phases in April and May 2026, the event provided a vibrant platform for teaching and non-teaching staff to showcase their talents, creativity, and passion. The celebrations commenced on 11 April 2026 with an Invocation Song, Lighting of the Lamp, and the National Song. Competitions held on the first day included Solo Singing, Solo Dance, and Cooking Without Fire, attracting enthusiastic participation and showcasing remarkable talent across departments. The second phase, held on 25 April 2026, focused on teamwork and artistic expression through Group Dance, Photography, and Rangoli competitions. Participants impressed the judges with their creativity, coordination, and innovative presentations, fostering greater interdepartmental engagement and camaraderie.

The Grand Finale, held on 09 May 2026, marked the successful culmination of Hidden Gems @ 25 and featured the Fashion Show, "Colours of India: Elegance in Every Era," along with the highly anticipated Mr. and Ms. NHCE competition. Participants demonstrated confidence, leadership, communication skills, creativity, and stage presence through a series of engaging and competitive rounds. Mr. Sanjay S. V. was crowned Mr. NHCE, while Ms. Aarti Hudiya earned the title of Ms. NHCE for their exceptional performances and excellence.

A special tribute to Asha Bhosale added a cultural dimension to the evening, celebrating her immense contribution to Indian music. Another memorable highlight was the Silver Walk, during which institutional leaders walked together on stage, symbolising unity, vision, leadership, and the institution's collective journey.

The event concluded with an award ceremony recognizing winners and achievers across various competitions. With 186 participants and enthusiastic staff involvement, Hidden Gems @ 25 celebrated talent, creativity, collaboration, cultural expression, and institutional bonding, leaving participants with cherished memories.

## NHCE -IQAC

### Support Staff Development Forum – Session I

The IQAC conducted the inaugural session of the NHCE-IQAC Support Staff Development Forum on 16th May 2026, themed "Building Quality Together – Strengthening Institutions." The session covered institutional documentation, audit readiness, evidence management, and ethical AI use in administration. Interactive presentations, case studies, and quizzes equipped participants with practical quality assurance insights, reinforcing NHCE's commitment to shared institutional excellence and continuous improvement. The forum also encouraged active participation, collaborative learning, and the adoption of best practices to enhance administrative efficiency and effectiveness.

### Leadership Forum Series – Session I

The IQAC organised the inaugural session of the NHCE-IQAC Leadership Forum Series on 9th May 2026, themed "Institutional Documentation Practices and Quality Systems." The session brought together academic leaders, functional heads, and administrators to strengthen their understanding of governance frameworks, audit preparedness, and quality assurance mechanisms. Interactive discussions and reflection exercises reinforced best practices in documentation management and digital evidence repositories, laying the foundation for a leadership-driven quality culture at NHCE.

## INAUGURATION OF THE NEW IQAC & R&D OFFICE

NHCE inaugurated its renovated IQAC and Research & Development Office on 20 May 2026 in the presence of institutional leaders, faculty members, and academic administrators. The facility will serve as a hub for quality assurance and research activities, fostering innovation, academic excellence, and continuous institutional improvement.

## IPL 2026 CHAMPIONS

In a remarkable display of skill, consistency, and determination, Royal Challengers Bengaluru successfully defended their IPL title by emerging victorious in IPL 2026. Building on the success of their championship-winning campaign the previous season, RCB once again showcased exceptional teamwork, resilience, and composure throughout the tournament. The squad delivered impressive performances with both bat and ball, overcoming strong competition and rising to the occasion in crucial encounters. Their disciplined approach and collective effort proved instrumental in securing back-to-back championships, highlighting the team's depth and winning mentality. The victory sparked celebrations among supporters, whose unwavering passion has long been a defining feature of the franchise. By successfully retaining the title, RCB not only added another trophy to its collection but also strengthened its legacy as one of the most formidable and admired teams in IPL history.

# HORIZONITE ACHIEVEMENTS

## FACULTY ACHIEVEMENTS

- Dr. A. Sujin Jose, Associate Professor - Department of Research and Development was honoured with the Best Researcher Award 2026 during the Engineering Faculty Awards 2026 ceremony held on 17 May 2026. The prestigious event was organised by AMET University, Chennai, in association with the Dr. J. Ramachandran Maritime Foundation.

- Dr. Mukul Manohar S was conferred the National Laureate Award 2026 in the category of Emerging Leader at the Education Leadership Conclave, organised by Pi-Media Solutions on 23rd May 2026, recognising his inspiring leadership and transformative contributions to education.

- Dr. Ramachandra Naik was honored with the Editorial Contribution Award 2026 by Springer Nature, UK, on 27 May 2026, in recognition of his outstanding dedication and significant contributions to academic publishing and editorial excellence.

## STUDENT ACHIEVEMENTS

- Adithya K (1NH24AI010), Dave Roshan (1NH24AI040), Tanish Renuka Suragihalli (1NH24AI176) and Anshuman Panda (1NH24AI196) won the 1st Prize and a cash award of ₹4,000 at the AI-Powered Solution Expo: Demo Days for AI/4.0 Prototypes, organised by the IIC of New Horizon College of Engineering on 25 May 2026.

- Abhangi Miral Bharat (1NZ24CS006) and K Vivan Reddy (1NZ24CS085) secured 1st place and won a cash prize of Rs. 8,000 in the Coding Contest organised by the NHCE CSI Students Chapter on 13th May 2026.

- Sanjana N (1NH24AI142), Insha Tanveer Shaik(1NH24AI147), Sonika Satya Reddy (1NH24AI162) secured 3rd place at Yukthi V11 - Students' Technical Symposium organised by Department of Master of Computer Applications in Association with FOSS Club, NHCE on 22nd May 2026.
- Rumaan Zameer (1NH23CS207) and R Tharun Sivakumar (1NH23CS278) secured 1st place and won a cash prize of Rs. 8,000 in the Coding Contest organised by the NHCE CSI Students Chapter on 13th May 2026.
- Apeksh Singh (1NH23EE007) secured First Place in Tug of War at ADRISHT 2K26 - a National Level Management Fest organised by JSS Academy of Technical Education from 25th to 27th May 2026.

## ALUMNI ACHIEVEMENT

We are thrilled to share that our alumnus Mr. Abhishek Pratap Singh, Batch of 2005–2009, Founder and CEO of Digital Abhiyan Pvt Ltd, has been honoured in the prestigious Forbes 40 Under 40 – Industry Leaders 2025. Founded in December 2012 and based in Kolkata, Digital Abhiyan operates in the digital media and technology space, offering services in social media marketing, content strategy, web development, and UI/UX development. Abhishek was also featured in the Forbes February 2026 Digital Edition, further cementing his stature as a dynamic industry leader. His remarkable achievement reflects the spirit of innovation, leadership, and entrepreneurship that our institution strives to nurture among students. As envisioned by the college in creating future entrepreneurs and industry leaders, his success story stands as an inspiration to the entire student and alumni community.

## EXTRACURRICULAR ACHIEVEMENT

- Chirag Jain N (1NH25BA028) Won Gold Prize in Hip Hop and Street Dance Adult Formation at WDF2026 - World Dance Festival Indonesia 2026 organised by World Dance Festival, Dharma Negara Alaya, Bali, Indonesia on 14th May 2026.

## EVENTS OF MAY DEPARTMENT ACTIVITIES

### APPLIED SCIENCES

- A Guest Talk on "4 Years to Learn, Lead and Launch Your Career" was conducted by Dr. T. Ram Prabhu, Scientist "E" and Joint Director at DRDO, Bengaluru, on 14th May 2026.
- A Guest Talk on "IoT and AI Helping Industries" was conducted by Mr. Anush G. R., Senior Solution Architect, Frontier Business Systems, on 19th May 2026.
- A STEM Club activity titled "Break Out the Code: STEM Puzzle Race (Solve, Crack, Decode, Escape)" was conducted on 20th May 2026.
- A Guest Talk on "Understanding AI and ML through Mathematics" was conducted by Ms. Neeraj Sharma, Founder and Director of V18hub, Bengaluru, on 21st May 2026.
- An event titled "Pravachana Rajathotsavam – Celebrating 25 Years of Pravachana Parampara in Bengaluru" was conducted by Shathavadani Dr. R. Ganesh, Padma Bhushan Awardee, author, polyglot, and practitioner of Avadhanam, on 25th May 2026.

### COMPUTER SCIENCE AND ENGINEERING (CSE)

- A Coding Contest Award Ceremony was conducted on 13th May 2026.
- A Guest Talk on "Next-Gen Integrated Data Analytics and Visualisation Framework" was conducted by Mrs. Soumya Sandesh Manocharya (Microsoft Certified PL-300), Data Analyst at Zepto and Flipkart, on 23rd May 2026.

### COMPUTER SCIENCE AND ENGINEERING – DATA SCIENCE (CSE-DS)

- A Guest Talk on "Cyber Security in the Era of Digital Transformation: Protecting Data, Privacy and Trust" was conducted by Mr. Anil B. P. Rao, VP – Delivery and Operations, REZILYENS Software, Bengaluru, on 6th May 2026.
- An Expert Talk on "Biometric Security Reimagined with Agentic AI" was conducted by Mr. Ajinkya Lohakare, Founder and CTO of Ditto Security, Bengaluru, on 7th May 2026.
- A Workshop on "Cloud-Based Website Hosting and API Integration Using AWS" was conducted by Mr. Sasideep Jagarlamudi, Senior Automotive Engineer, Vector Informatik India Pvt. Ltd., Bengaluru, on 13th May 2026.
- A Social Outreach Programme was conducted at Cheshire Homes India on 15th May 2026.

### INFORMATION SCIENCE AND ENGINEERING (ISE)

- An Alumni Talk on "College to Corporate: Things to Learn Before You Start Working" was conducted by Mr. Niranjan J. Gowda, Developer Associate, SAP Labs India, on 6th May 2026.
- An Intra-Institutional Business Plan Competition was conducted on 11th and 12th May 2026.

### ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING (AIML)

- An Industrial Visit to the Mahatma Gandhi Institute of Rural Energy and Development, Srirampura Cross, Rachenahalli, Jakkuru, Bengaluru, was conducted on 5th May 2026.
- A Coding Contest titled "CODE CLASH" was conducted on 5th May 2026.
- An Alumni Talk on "Agentic AI Systems" was conducted by Mr. Dharshan A. N., AI Consultant, Connection Group, on 6th May 2026.

### MECHANICAL ENGINEERING (ME)

- An Alumni Talk on "New Product Development" was conducted by Mr. Tauseef, Analyst – Supply Network Quality, Volvo, on 4th May 2026.
- A Technical Seminar on "Additive Manufacturing" was conducted by Mr. Vinod A. R., Scientist-D, Central Manufacturing Technology Institute, on 5th May 2026.
- An Expert Talk on "Cloud Computing and Digital Twin" was conducted by Mr. Kamal Deep U., Business Development and Growth Manager, CAPABL, Bengaluru, on 6th May 2026.
- A Workshop on "Protecting IPR and IP Management for Start-ups" was conducted by Dr. A. Sujin Jose Arul, Associate Professor – Department of R&D and President – IIC AICTE Innovation Ambassador, NHCE, on 13th May 2026.
- An Expert Talk on "Recent Advancements in PLM Technology" was conducted by Dr. Bopanna K. D., Techno Manager, Caggenini, Bengaluru, on 14th May 2026.
- A Guest Lecture on "AI in Robotics and Automation" was conducted by Mr. Rajendra Prasad Sola, Technology Manager, Accenture and IEEE Mentor, on 15th May 2026.

### ELECTRONICS AND COMMUNICATION ENGINEERING (ECE)

- An Expert Lecture on "Cybersecurity Industry Challenges" was conducted by Dr. Vishal Saraswat, Head – Research and Innovation, Bosch Global Software Technologies, Bengaluru, on 4th May 2026.
- An Expert Lecture on "Semiconductors and Their Applications in Embedded Systems" was conducted by Mr. Vimal Rajesh Joseph, Senior Physical Design Engineer, SiSoC Semiconductor Technologies, Bengaluru, on 8th May 2026.
- An Expert Lecture on "Embedded DSP System Development Using TMS320F8P65 and Automatic Code Generation Techniques" was conducted by Dr. Sridharan K., Assistant Manager (R&D), Skanray Technology Limited, Mysuru, on 8th May 2026.
- A Guest Lecture on "Breaking into VLSI: A Practical Roadmap for Students" was conducted by Mr. Kumar Ankit, Senior Engineer, Intel Corporation, Bengaluru, on 12th May 2026.

### ELECTRICAL AND ELECTRONICS ENGINEERING (EEE)

- A Webinar on "SynRM/IPM Motor Design Using JMAG" was conducted by Mr. Jeevan S., FEA Support Engineer, Powersys Engineering Solutions, on 4th May 2026.
- A Guest Lecture on "Verilog HDL for Digital Design Concepts and Applications" was conducted by Dr. Praveen Kumar Reddy, DFT Engineer, Truechip Technologies, on 8th May 2026.
- An Expert Talk on "Industry Practices in Managing Product Strategy for Transportation Electrification" was conducted by Mr. Venkata Vinod Pasumarthi, General Manager, Ather Energy, on 2nd April 2026.
- A Workshop on "Drone Technology" was conducted by Mr. Biswendu Biswas and Mr. Sujith M. S. (Drone Pilot and Co-Founder, MS Innovation), on 15th May 2026.

### EXTRA-CURRICULAR CLUBS

- A series of youth-oriented cultural and spiritual programmes was organised by ISKCON Bangalore in association with FOLK (Friends of Lord Krishna) during May 2026. The sessions included:
  - "How to Stop Overthinking" on 7th May 2026.
  - "Spiritual Habits for a Peaceful Silicon Age" on 14th May 2026.
  - "Know Your Spiritual Within" on 21st May 2026.
  - "The Missing Link in Technology" on 27th May 2026.

### ALUMNI ASSOCIATION

- A Wellness Awareness Programme on "What To Do About Your Health" was conducted by Mr. Kumar Himanshu, Wellness Coach – The Wellness Atlas at Dell Technologies (Alumni Batch: 2005–2009), on 9th May 2026. The programme was organised by the Alumni Association in collaboration with the Departments of EEE, ECE, ME, and MCA.

### MASTER OF BUSINESS ADMINISTRATION (MBA)

- A Mentoring Event on Poster Presentation of Business Plans and Mentor Linkage was organised by the Department of Management Studies, ED and Start-up Club, in association with the Institution's Innovation Council, on 4th May 2026.
- A Workshop on "Power BI" was conducted by Mr. Raghu Prasad K. S., CEO, Kaushalya Technologies, Bengaluru, from 4th to 9th May 2026.
- A Guest Lecture on "Emerging Trends in Human Resource Management: Bridging Academia and Industry" was conducted by Mr. Sunder Rajan, HRM Practitioner for HR Systems and Process Improvement, NHRD, on 12th May 2026.
- An Expert Talk on "Training on Technology Commercialisation, Licensing and Transfer Practices" was conducted by Mr. Raghavendra Y., Senior Intellectual Property Associate, Bengaluru, on 19th May 2026.
- An Alumni Talk on "Emerging Trends in Industry and Future Career Opportunities" was conducted by Mr. Toshith Ashwin, Customer Account Analyst, PlanSource, on 26th May 2026.
- A Guest Lecture on "Ethical Decision-Making and Leadership through Spiritual Values" was conducted by Dr. Sudharma Krishna Dasa, Full-Time Missionary at ISKCON Bengaluru, on 29th May 2026.

### MASTER OF COMPUTER APPLICATIONS (MCA)

- A Workshop on "Beyond CRUD: Real-World MongoDB for Developers" was conducted by Mr. Pavan Kumar V. J., Associate SDE, Zetwerk, Bengaluru, on 9th May 2026.
- A Workshop on "Developing Intelligent AI Models" was conducted by Mr. Deepak Chawla, Founder of HiDevs, Community Star @ Qdrant, and AI Ecosystem Builder, Bengaluru, on 9th May 2026.
- A Field Visit to ATAL Incubation Centre – DSU Innovation Foundation, Dayananda Sagar University, Bengaluru, was conducted on 14th May 2026.
- A Student Technical Symposium titled "YUKTHI V11" was conducted on 22nd May 2026.
- An Industry Expert Talk on "DSA Decoded: Beyond Theory to Industry Reality" was conducted by Ms. Maria Saphika, Software Engineer, Caggenini, Bengaluru, on 23rd May 2026.
- An Industry Expert Talk on "Engineering in the Age of AI Agents" was conducted by Mr. Hemant Kanikicharla, Senior Consultant, Microsoft, Bengaluru, on 23rd May 2026.
- A Guest Talk on "Cloud-Based UI/UX Design Workflow Using Figma" was conducted by Mr. Shajeeeth A. S., Front-End UI Developer, Adobe, Bengaluru, on 25th May 2026.

### RESEARCH AND DEVELOPMENT (R&D)

- An IDE Boot Camp and Project Competition was conducted from 8th to 21st May 2026.
- A total of 229 research papers, 2 book chapters, and 10 patents were published.

### DEPARTMENT OF IIE

- An event titled "New Horizon Stock Exchange" was conducted by the Department of IIE and CSE (Data Science) on 14th May 2026.
- A Workshop on "Innovation Design Framework for Technology Transfer" was conducted by Dr. Mukul Manohar S., Professor and Associate Head – IIE, NHCE, on 27th May 2026.

### NHCE Students Shine with Global SAP Certifications

Demonstrating their commitment to excellence and industry ready skills, students from various engineering disciplines at New Horizon College of Engineering (NHCE) have successfully earned prestigious SAP Global Certifications in high demand domains, including SAP Generative AI Developer, Data Analyst -SAP Analytics Cloud, SAP Business One, and SAP Fiori Application Development. The Career Development Centre (CDC) proudly congratulates these achievers for reaching this significant milestone and setting a benchmark for professional development among their peers. A key factor behind this success is the access NHCE students receive to SAP Learning Hub, which offers globally recognized certification programs completely free of cost. Seizing this valuable opportunity, more than 20 students have already completed their certifications, gaining expertise in cutting edge technologies and enterprise solutions. What makes these certifications particularly valuable is their global recognition and industry relevance which is widely respected by employers across the world, SAP certifications enhance students' technical competencies, strengthen their professional profiles, and open doors to exciting career opportunities in the global job market.

CDC encourages all students to take advantage of this exceptional learning platform, upskill in emerging technologies, and join the growing community of SAP certified professionals at New Horizon College of Engineering.

## CAMPUS PLACEMENTS

### Waters Corporation

Career Development Centre is delighted to announce that students from the 2027 batch have secured placements with the prestigious multinational organization, Waters Corporation. This remarkable achievement stands as a testament to their hard work, dedication, perseverance, and unwavering commitment to professional growth. Selected for multiple roles in the field of AIML, Software R&D, Process Intelligence, etc with an impressive compensation package, these students demonstrated exceptional technical competence, problem-solving abilities, and professional aptitude throughout the recruitment process. The selection procedure was highly competitive and rigorous, comprising multiple assessment and interview rounds designed to evaluate candidates across various skill domains. Despite the challenges and intense competition, the students successfully navigated every stage of the recruitment process with confidence, determination, and excellence. Their willingness to continuously upskill, embrace new learning opportunities, and strive for excellence has played a pivotal role in achieving this significant milestone. The Career Development Centre congratulates the students on securing this excellent opportunity with Waters Corporation. May this achievement mark the beginning of a successful and fulfilling career filled with learning, growth, and new accomplishments.

### Presidio

Career Development Centre proudly congratulates the students of the 2027 batch on securing placements with Presidio, a leading multinational organization. The company visited the campus in May 2026 to recruit students from the IT domain for various technical roles. The recruitment process was highly competitive and rigorous, designed to assess candidates across multiple competencies. It commenced with a challenging online assessment, followed by two rounds of technical interviews, and concluded with an HR interview. Throughout the selection process, students demonstrated exceptional technical proficiency, problem-solving abilities, and resilience. Despite the demanding nature of the recruitment procedure, the selected students successfully cleared every stage with confidence and determination. Their achievement reflects their dedication, consistent efforts, and commitment to excellence in both academic and professional development. Career Development Centre takes immense pride in their accomplishment and extends its heartfelt congratulations. Additionally CDC wishes them continued success and a rewarding career journey with Presidio.

### Infosys Pool Campus Placement Drive

Career Development Centre, New Horizon College of Engineering, Bengaluru, successfully organized a Campus Pool Placement Drive for the 2026 and 2027 graduating batches in the month of May 2026. The event witnessed enthusiastic participation from students representing various colleges across Bengaluru, making it a significant platform for aspiring professionals to showcase their talent and skills. The recruitment drive was conducted over two separate days for the 2026 and 2027 batches and offered opportunities for the role of Specialist Programmer, carrying an attractive annual package of ₹21 LPA. The selection process was designed to identify candidates with strong technical expertise, problem-solving abilities, and industry readiness. The drive concluded on a highly positive note, with recruiters expressing their appreciation for the quality of talent demonstrated by the participants. The event also reflected the seamless coordination, professionalism, and warm hospitality extended by the faculty, staff, and student volunteers of New Horizon College of Engineering. The successful execution of this campus pool drive further reinforces the institution's commitment to creating meaningful career opportunities for students and strengthening its partnerships with leading industry recruiters.

### Dell Pool Campus Placement Drive

Career Development Centre, New Horizon College of Engineering, successfully hosted a Campus Pool Placement Drive in collaboration with Dell Technologies on 15th May 2026 for the 2026 graduating batch. The drive was conducted for various technical roles and attracted participation from students across reputed institutions, including Amrita University and CMR Institute of Technology. The recruitment process was organized seamlessly, ensuring a smooth and professional experience for both the recruiters and participating candidates. Students were accommodated comfortably and provided with the necessary support throughout the pre-placement talk and interview process. The event offered aspiring professionals an excellent opportunity to showcase their technical competencies and industry readiness. The recruiters appreciated the efficient coordination of the placement drive and commended the hospitality extended by the faculty, staff, and student volunteers of New Horizon College of Engineering. The successful execution of the drive further highlights the institution's commitment to fostering strong industry collaborations and creating valuable career opportunities for students.

**Other Companies that Visited the Campus for Placements: Gisul, Amagi Media Labs Pvt Ltd, Toyota Kirloskar Motor, JLL India, TE Connectivity, Manipal Healthcare, Move Insync, Zexora Quvixo Services, Sipani Energy Ltd, Even Health, Federal Bank, CoreEI Technologies, Entomo, Dexian, Tesco, Zetwerk Manufacturing, Kristalball Smart Solutions, Hy-Vee, Treebo, Simpson & Co Ltd., MNP Spark, Prop Times, AoN, Axis Bank, Nielsen, Zepto, Accenture, Indigo Airlines, Ditto Insurance, IBM Sasmos HET Technologies, Grapepay, Conversive, Origin Digital, Kyndryl.**

## INDUSTRY CONNECT EVENTS

### Japanese Client Meeting with Zenken Members

The Career Development Centre (CDC), New Horizon College of Engineering, had the honor of hosting Mr. Junnosuke Hayashi, Chief Executive Officer of Zenken, and Dr. Mark Samuel, Chief Operating Officer of Zenken India, for a strategic meeting focused on the upcoming placement cycle. The visit marked an important step towards strengthening the long-standing collaboration between Zenken and the institution while exploring avenues to create enhanced career opportunities for students. The meeting centered on planning and strategizing the forthcoming recruitment cycle, with discussions covering industry expectations, talent requirements, and the evolving demands of the global job market. The delegates shared valuable insights on current hiring trends, desired skill sets, and the importance of preparing students to meet international workplace standards. The interaction provided an excellent opportunity for both organizations to align their objectives and work towards ensuring successful placement outcomes for aspiring graduates. The discussion was witnessed by Mr. Pradeep Kote, Senior Director, Career Development Centre; Dr. Sivakumar Raju, Director, Career Development Centre; and Mr. Dilip M.B., Corporate Relations Manager of the Japanese Career Programme. Their participation further enriched the deliberations and reinforced the collective commitment towards fostering industry-academia collaboration. The meeting concluded on a positive note, with all stakeholders expressing their dedication to empowering students with global career opportunities and ensuring a successful placement season ahead.

### RAKUTEN PRODUCT CONFERENCE

The Career Development Centre (CDC), New Horizon College of Engineering, facilitated the virtual participation of fourth-semester students in the prestigious Rakuten Product Conference held during the month of May 2026. The conference provided students with a unique opportunity to witness a large-scale international industry event and gain exposure to global technological advancements and industry perspectives. The conference featured distinguished speakers and industry leaders from various multinational organizations across the world, who shared their insights on the transformative impact of Artificial Intelligence across industries. The discussions focused on the rapid evolution of AI technologies, emerging trends in the digital landscape, and the ways in which organizations are leveraging AI to drive innovation, efficiency, and business growth. Representatives from Rakuten also highlighted the company's initiatives and contributions in harnessing AI-driven solutions to create meaningful value for customers and businesses worldwide. The sessions provided students with a deeper understanding of how technology is reshaping industries and creating new opportunities for future professionals. For many students, this was their first experience attending an international industry conference of such scale and significance. The event broadened their perspective on global industry practices, technological innovation, and the future of work. Students actively engaged with the sessions and expressed their appreciation for the opportunity provided by the Career Development Centre. Many participants shared positive feedback, stating that the conference was both informative and inspiring, and thanked CDC for organizing the virtual access on campus. The initiative successfully bridged the gap between academia and industry by enabling students to learn directly from global leaders and gain valuable exposure to international professional forums.

### Nokia Industrial Visit

The Industry Institute Interaction Cell (IIIC) of the Career Development Centre (CDC), New Horizon College of Engineering, organized an Experiential Learning Programme in association with Nokia at its Bengaluru facility. The visit was designed to provide students with firsthand exposure to industry operations, technological advancements, and professional work environments, thereby bridging the gap between classroom learning and industry practices. During the visit, students had the opportunity to gain valuable insights into contemporary industrial processes and emerging communication technologies that are shaping the future of the telecommunications sector. Industry experts from Nokia interacted with the participants and shared their knowledge on technological innovations, operational frameworks, and the evolving demands of the global technology landscape. The sessions enabled students to understand how theoretical concepts are applied in real-world industrial settings and highlighted the significance of innovation and continuous learning in a rapidly changing industry. The industrial visit proved to be a highly enriching experience for the students, offering them a deeper understanding of the corporate ecosystem and the practical applications of engineering concepts. Exposure to a world-class technology organization such as Nokia helped students broaden their professional outlook and inspired them to explore emerging career opportunities in the communication and technology sectors.

### Mathco Industrial Visit

The Industry Institute Interaction Cell (IIIC) of the Career Development Centre (CDC), New Horizon College of Engineering, organized an Industry Visit to MathCo during the month of May 2026. The visit aimed to provide students with exposure to enterprise AI, advanced analytics, and technology-driven business solutions. During the visit, students gained valuable insights into how organizations leverage Artificial Intelligence, Data Science, and Analytics to address complex business challenges and drive innovation. Industry experts shared their experiences and highlighted the growing significance of data-driven decision-making in today's corporate landscape. The visit served as an enriching learning experience, enabling students to understand contemporary industry practices and emerging career opportunities in the fields of AI and Analytics. It successfully bridged the gap between academic learning and real-world industry applications.

## SAP – Industry Insights

The Career Development Centre (CDC), New Horizon College of Engineering, organized an insightful Tech Talk on SAP and its vast career opportunities for students across various disciplines. The session was delivered by Mr. Guruguha Vijalapur, SAP Industry Partner from LTM, who brought with him extensive industry experience and valuable insights into the rapidly growing SAP ecosystem. The event aimed to familiarize students with emerging industry trends, the relevance of enterprise technologies, and the skills required to build successful careers in today's competitive job market.

During the session, Mr. Vijalapur provided students with a comprehensive overview of the SAP ecosystem and its growing significance in the modern corporate world. He explained how SAP has established itself as one of the most widely adopted enterprise resource planning (ERP) platforms globally and is used extensively by organizations across industries such as manufacturing, banking, healthcare, retail, logistics, energy, and information technology. He highlighted the crucial role SAP plays in helping businesses integrate various functions, optimize operations, improve efficiency, and make informed decisions through real-time data management. Students were introduced to the diverse career paths available within the SAP domain, including consulting, implementation, development, support, analytics, and project management. He further discussed the increasing demand for SAP professionals across global markets and emphasized how expertise in SAP can provide students with access to rewarding career opportunities in multinational organizations. By sharing industry trends, practical insights, and real-world examples, he helped students understand why SAP continues to remain one of the most valuable and sought-after technology platforms in the corporate sector, making it a promising career choice for aspiring professionals.

A major highlight of the session was the discussion on the SAP Learning Hub and the value of SAP certifications in enhancing employability and professional growth. Mr. Vijalapur explained how the Learning Hub serves as a comprehensive platform that provides learners with access to training materials, learning journeys, hands-on practice systems, and certification preparation resources. He emphasized that SAP certifications are globally recognized credentials that validate an individual's expertise and significantly improve career prospects across international markets. He encouraged students to invest time in continuous learning and upskilling, stressing that acquiring industry-relevant certifications can provide a competitive advantage during recruitment processes. Furthermore, he noted that a growing number of leading organizations worldwide have adopted SAP solutions, creating a strong demand for certified professionals who can contribute effectively from the very beginning of their careers. The session concluded with an interactive discussion where students gained clarity on certification pathways, career progression opportunities, and the importance of lifelong learning in achieving long-term success in the rapidly evolving technology landscape.

## Career Readiness Programme for Mechanical Students by Quest Global Delegates

The Career Development Centre (CDC), New Horizon College of Engineering, organized a Career Readiness Programme for the students of the Mechanical Engineering Department during the month of May 2026. The session was designed to provide students with valuable industry exposure and help them understand the career opportunities available in the core engineering sector.

Industry delegates from Quest Global were invited to interact with the students and share insights into the organization's recruitment process, industry expectations, and the skills required to build a successful career in engineering. The speakers also provided a detailed overview of the diverse opportunities available within the Oil and Gas industry, highlighting emerging trends and growth prospects.

The session served as a source of motivation and encouragement for aspiring mechanical engineers. By sharing real-world experiences and career success stories, the delegates reinforced the importance and relevance of Mechanical Engineering in today's industrial landscape. The programme concluded on a positive note, inspiring students to pursue their chosen field with confidence, dedication, and a vision for long-term professional growth.

Varun Rao  
1NH22CS265

## ★ Star of the Month ★

The Career Development Centre (CDC) is delighted to recognize Varun Rao (1NH22CS265) from the Department of Computer Science Engineering as the Star of the Month. Varun has developed Assessly.in, an innovative platform designed to help students enhance their coding proficiency through structured assessments and practice opportunities. The platform serves as a valuable resource for students seeking to strengthen their technical skills and prepare for competitive placement processes.

CDC appreciates Varun's dedication, technical expertise, and commitment to creating a solution that positively impacts the student community. His initiative reflects the spirit of innovation and excellence that New Horizon College of Engineering strives to nurture. Heartiest congratulations to Varun on this remarkable achievement. We wish him continued success in all his future endeavors.
