

WORLD HAPPINESS SUMMIT 2026

The World Happiness Festival 2026 was celebrated on 23rd and 24th September in Bengaluru, bringing together students, educators and distinguished personalities for two days centred on happiness, creativity and purposeful living.

Organised by HAPPYAiR – Atman in Ravi in collaboration with New Horizon College of Engineering, the festival explored the theme, "Real Happiness has 3Ps: Pleasure, Peace, Purpose." The first day celebrated, student talent and creativity through competitions in short films, group singing, a two-minute talk, acting and group dance. Students were also presented with a Happiness Kit, while ₹5,00,000 in prize money encouraged participants to "Win. Inspire. Be The Change."

The second day featured thought-provoking conversations and panel discussions with Dr Kiran Bedi, Nikhil Kamath, Arjun Kapoor, Shilpa Shetty, Sonu Sharma and Dr Saamdu Chetri, among others.

The sessions explored different dimensions of happiness, including success, purpose, manifestation, Gross National Happiness, and the science and art of wellbeing. Speakers offered varied perspectives on personal fulfilment, inner peace, gratitude and the importance of finding meaning beyond conventional measures of achievement.

The festival concluded with the "Happiness Champion Awards" and a vote of thanks, recognising individuals and organisations committed to creating positive environments and promoting wellbeing. Across two days, the festival transformed happiness from an abstract idea into a shared conversation, encouraging participants to reflect on how pleasure, peace and purpose can shape a more meaningful life.

SARGAM'26 ARTIST AND THEME REVEAL

New Horizon College of Engineering (NHCE) unveiled the banner of its annual cultural fest, SARGAM 2026, amid growing excitement and anticipation, marking its Silver Jubilee and celebrating 25 years of art, culture and talent. This year's theme, "Mahadevi", honours the supreme goddess and the many forms through which the divine feminine finds expression.

The banner reflects the richness of Indian culture and the energy of artistic expression. SARGAM continues to provide a platform for students to showcase their creativity, talent and passion, bringing together participants and performers from across the country.

The highlight of the ceremony was the announcement of KING as this year's featured artist, adding to the excitement surrounding the upcoming celebrations. Scheduled for 30th and 31st October, SARGAM 2026 promises two days of music, culture, creativity and celebration.

GANESHA CHATURTHI CELEBRATION 2026

New Horizon College of Engineering celebrated Ganesha Chaturthi with a traditional Ganapathi Homa on 16th September 2026 at New Horizon Knowledge Park. Lord Ganesha was adorned with red roses and golden temple bells, creating a divine ambience. The ritual sought blessings for peace, prosperity and positivity.

The celebration was attended by Chairman Dr Mohan Manghnani, Vice Chairperson Ms Renuka Manghnani, President Mr Dharmesh Manghnani, the Management Core Team, students, faculty, staff and Student Club Heads. Bhajans, songs and Bhakti dances dedicated to Ganapathy Bappa, presented by students and staff, enriched the atmosphere. Prasad and sweets were distributed, bringing the celebration to a close and leaving the campus filled with devotion and festive cheer.

A WORD FROM THE EDITORIAL BOARD

We step into this tenure with immense gratitude for the love, trust, and recognition we have received, especially the honour of being named Best Club of the Year. We hold this title close, not merely as an achievement, but as a reminder of those who built this legacy and our responsibility to carry it forward. We begin this semester with the same fire and energy, ready to give you ideas worth sharing, stories worth telling, and experiences worth remembering.

As the festive season arrives, we wish everyone a very Happy Durga Puja. May the celebrations bring hope, happiness, and the courage to embrace new beginnings.

To everyone who has supported and believed in us, thank you. Your encouragement means more than words can express. We have big shoes to fill and a legacy to honour, and we promise to keep creating, questioning, and expressing, keeping the Literary Club's spirit alive. Here's to carrying the flag forward, together, with the same fire and renewed purpose.

HIGHLIGHTS OF SEPTEMBER 2026

CHAIRMAN'S AWARD CEREMONY 2026

New Horizon Educational Institution hosted the Chairman's Award Ceremony 2026 on September 05, 2026, as part of the Teachers' Day celebrations, in recognition of the exemplary service, dedication, academic achievements, and research contributions of its staff members.

The ceremony was a celebration of excellence and commitment, providing a platform to acknowledge the valuable contributions of faculty and staff towards the Institution's pursuit of academic and professional excellence. The programme commenced with the National Song, followed by an Invocation Dance and Welcome Address. The ceremonial lighting of the lamp marked the formal inauguration of the event, followed by a special tribute to Dr. Sarvepalli Radhakrishnan.

A major highlight of the ceremony was the presentation of the Long Service Awards 2026. Two staff members were felicitated for completing 25 years of service, while ten staff members were recognised for completing 10 years of service.

The 25-year Long Service Award was presented to Ms. Sreeja S. P., Senior Assistant Professor, Department of Master of Computer Applications, and Mr. H. R. Rajesh, Assistant Registrar, Department of Examinations.

The 10-year Long Service Awards recognised staff members from New Horizon College of Engineering and New Horizon College, Marathahalli, representing academic, non-teaching, and technical departments.

The ceremony also witnessed the presentation of 37 Research Excellence Awards and 28 Academic Excellence Awards, celebrating outstanding institutional achievements and reinforcing the Institution's commitment to excellence, innovation, and continuous professional development.

SMART HORIZON: 48-HOUR INTERNATIONAL HACKATHON

New Horizon College of Engineering (NHCE) organised Smart Horizon 2026: 48-Hour International Hackathon from 3rd to 5th September 2026 as part of its Silver Jubilee Year Celebrations. Organised by the Departments of Artificial Intelligence and Machine Learning and Computer Science and Engineering, the event aimed to promote innovation, interdisciplinary collaboration, and technology-driven solutions aligned with the vision of Viksit Bharat @2047.

The hackathon received 887 registrations, with 118 finalist teams comprising 570 students from 62 institutions across 11 Indian states and the United States. Participants worked on real-world problem statements under five themes: Agriculture and Rural Development, Health Technology, Defence and Space Technology, Smart Cities, Vehicles and Automation, and Financial Technology (FinTech).

The event commenced with an inaugural ceremony featuring Mr. Nikhil Sikri, Co-founder and CEO of Zolo, as the Chief Guest, and Dr. Sruthi Kannan, Senior Director – Strategy and Innovation, NatWest Group India, as the Guest of Honour. Teams subsequently participated in technical briefings, expert mentoring, and multiple evaluation rounds before presenting their final solutions to an expert jury.

Smart Horizon 2026 celebrated the achievements of 15 winning teams across five thematic categories, recognising first, second, and third-place winners for their innovation and technical excellence. The first-place teams were SQL-X, Smartronics Technology, Team Early birds, Ayudham, and Code Blooded. The award ceremony honoured the dedication, creativity, and problem-solving skills demonstrated by the participating teams, with a total prize pool of ₹23.75 lakh.

The hackathon concluded with a valedictory ceremony graced by Mr. Ashish Kalvakota, Vice President – APAC Regional Partner, GlobalLogic. The event provided a meaningful platform for innovation and collaboration, further strengthening industry-academia engagement and encouraging students to develop practical solutions to real-world challenges through teamwork, creativity, and emerging technologies, fostering future-ready skills and entrepreneurial thinking.
